## I. GOVERNANCE STRUCTURE

The Board of Police Commissioners (the Board), a governmental unit pursuant to Chapter 84 of the revised statutes of the State of Missouri (RSMo), administers the Kansas City, Missouri Police Department (the Department or KCPD). Statutes provide the Board with exclusive management and control to operate the police force as an independent entity within the City of Kansas City, Missouri (the City). The City is required to provide annual appropriations to the Board for this purpose.

The Governor appoints and the Missouri Senate approves four Commissioners from the local community who, along with the Mayor of Kansas City, comprise the Board. The Board determines policy and provides oversight with input from the Chief of Police, who is responsible for managing the Department. The Chief of Police has organized the Department into bureaus and appointed commanders thereto who make day-to-day operational decisions. Each bureau's functions are more fully described elsewhere in this document.

## II. BUDGET OVERVIEW

The budget begins May 1, 2017. The total appropriated budget is $\$ 243,014,663$. Last year's budget was $\$ 232,824,751$. Accompanying this document are explanative letters from the Chief of Police dated September 22, 2016, and Deputy Chief of the Executive Services Bureau dated March 28, 2017, and details of all budgeted items. The main changes in FY 2017-18 funding are shown in Table 1.

|  | Table 1 <br> Funding Changes |
| :--- | ---: |
| General Fund: | Amount |
| Pay raises | $\$ 4,371,169$ |
| Overtime and separation pay | 243,750 |
| Pensions | 238,614 |
| Health insurance premium increase | 508,266 |
| ShotSpotter maintenance | 230,000 |
| Other General Fund changes | 428,457 |
| Police Drug Enforcement | 169,044 |
| Downtown Parking Control | $(275,573)$ |
| Police Grants Fund | $1,905,331$ |
| Grant/self-funded activities reimbursed to the City by the Department | $1,893,032$ |
| All other appropriation changes | $\mathbf{4 7 7 , 8 2 2}$ |
| Increase in appropriations | $\$ 10,189,912$ |

## III. GENERAL FUND STAFFING

The amount of appropriations provided for General Fund operations represents the first time the Department will be structurally balanced since FY 2008-09. The impact of achieving a structurally balanced budget has caused over $10 \%$ of staff to be eliminated through attrition. The decrease of 210 positions represents 110 or $7.6 \%$ of law enforcement and 100 or $15.7 \%$ civilian positions.

## IV. CHARACTER OF FUNDING

## PERSONNEL

Personnel costs include all personal services plus benefits such as workers' compensation and life insurance in contractual services. Personnel costs in relation to all Department appropriations are $86.2 \%$ or $\$ 209,546,100$, an increase of $\$ 7,738,781$. The following highlight FY 2017-18 personnel matters and Table 1 above provides cost information.

- Pay step increases will be earned on the members' anniversary date. Additionally, sworn members not at top step will receive an Across-the-Board pay step adjustment at mid-year. Sworn members at top step will receive a $3.5 \%$ salary adjustment at mid-year. Non-sworn members at top step will receive a $2.2 \%$ salary adjustment at mid-year.
- Health insurance premiums increase by $4.39 \%$.
- Downtown Parking Control was eliminated resulting in associated pension of \$24,179 needing to be paid elsewhere.

## NON-PERSONNEL

Non-personnel items represent $\$ 33,468,563$ or $13.8 \%$ of funding for FY 2017-18, compared to $\$ 31,017,432$ for FY 2016-17. To simplify the presentation, non-personnel items have been grouped into the following categories:

Public Safety Sales Tax Fund - The $1 / 4$ cent sales tax for public safety capital improvements remains unchanged at $\$ 2,200,000$, which represents $0.9 \%$ of all Department appropriations. The City issued bonds in previous years to provide for equipping Department buildings scheduled to undergo construction. Three funds, 2012A GO Bond Fund 3398, 2013B Special Obligation Bond Fund 3431, and 2016A Tax-Exempt Bond Fund 3433 continue automatically from year to year. Since the funds are continuing in nature, they are not included in the annual budget process.

Paid to City - The Department self-funds grants and other activities totaling $\$ 10,053,340$ or $4.1 \%$ of appropriations. This is reimbursed to the City, which treats the reimbursements as revenue, and in turn provides the Department appropriations in the same amount.

Other Activities - Another $\$ 21,215,223$ or $8.7 \%$ of total appropriations support the day-to-day operations of the Department. ShotSpotter gunfire locating system maintenance starts this year at a cost of $\$ 230,000$. Additional items included in other activities are risk
management, utilities, telephones, data transmission, vehicle and helicopter operations, and rent of equipment, software, and covert locations.

The above summaries along with the accompanying documents should assist the reader in understanding the Department's budget for FY 2017-18.

TO: $\quad$ Members of the Board of Police Commissioners<br>Kansas City, Missouri Police Department<br>FROM: Deputy Chief Patty Higgins, Commander, Executive Services Bureau<br>SUBJECT: Current Status of FY 2017-18 Budget

The Board of Police Commissioners will formally adopt the FY 2017-18 budget at your April 11, 2017 meeting. As preparation for budget adoption, I am providing the following information and attached Schedules to help summarize the current status of the FY 2017-18 budget and what has changed since it was presented to you last fall.

Schedules 1-3 accompanying this memorandum are similar to ones previously provided to the Board. A column titled "Appropriated 2017-18" has been added to reflect the amounts to be adopted. The following highlight changes in Schedules 1-3 between what was "Appropriated" by the City Council and what was "Requested" by the Department last fall.

## SCHEDULE 1

Schedule 1 attached hereto reflects all Police Department revenues and appropriations. Appropriations total $\mathbf{\$ 2 4 3 , 0 1 4 , 6 6 3}$ for FY 2017-18 compared to $\$ 232,824,751$ for FY 2016-17, an overall increase of $\$ 10,189,912$. The Requested budget anticipated appropriations would increase $\$ 14,070,457$, but the Appropriated budget is $\$ 3,880,545$ less than this. The following provides broad categories of what changes were made to Requested revenues and appropriations:

```
REVENUES
City Funding:
    City revenues
Police Self-Funded Activities:
    Special Services
        Total revenue changes

Revenue minus appropriation changes & \(\underline{12,000}\)
\end{tabular}
\end{tabular}

\section*{SCHEDULE 2}

Schedule 2 attached hereto focuses on revenues and appropriations provided by the City. The City Council appropriated a total of \(\$ 228,570,367\) to the Board compared to \(\$ 219,928,186\) for FY 2016-17, an increase of \(\$ 8,642,181\). However, the Requested budget anticipated an increase of \(\$ 12,522,726\), which means the appropriated amount is \(\$ 3,880,545\) less than what the Department requested. (Revenues always match appropriations in City funds, so changes in appropriations explain changes to revenues.) Salaries were reduced from the original request, retired LE Health Supplement was more than originally estimated, and charge in/out were adjusted. Elimination of Downtown Parking Control results in associated pensions needing to be paid elsewhere. The additional \(\$ 300,000\) requested for vehicles was not provided. Total changes to the Requested budget are broken down by broad category by fund as follows:

\section*{SCHEDULE 3}

Schedule 3 attached hereto reflects FY 2017-18 Treasurer's Account revenues of \(\$ 13,904,452\) as well as appropriations of \(\$ 14,444,296,70 \%\) of which is remitted to the City. There was a small increase in revenue estimates from the requested amounts. The following is a comparison of years:

\section*{CONCLUDING REMARKS}

The General Fund provides most of the appropriations to operate the Police Department, and these appropriations increase by \(\$ 6.8\) million compared to the FY 2016-17 Adopted budget. Funding will provide for anniversary step increases, and other salary adjustments anticipated to be awarded on May 1 will be delayed. Six positions within Downtown Parking Control will be eliminated.

The Board is required to adopt a budget on or before May 1 of each year. A formal budget adoption document will be provided for the April 11, 2017 Board meeting. The FY 201718 Appropriated budget from all sources will be \(\mathbf{\$ 2 4 3 , 0 1 4 , 6 6 3}\) as shown on Schedule 1 attached hereto.

Chief of Police

September 22, 2016
TO: Members of the Board of Police Commissioners Kansas City, Missouri Police Department

SUBJECT: Requested Budget for Fiscal Year 2017-18
As required by Section 84.500 of the Revised Statutes of Missouri (RSMo), accompanying this transmittal letter is a report on the financial requirements of the Kansas City, Missouri Police Department (the Department) for the fiscal year (FY) beginning May 1, 2017. RSMo Section 84.730 requires the Board of Police Commissioners (the Board) submit to the City of Kansas City, Missouri (the City) a budget estimating the sum of money necessary next fiscal year to enable the Board to discharge the duties imposed upon it by RSMo Chapter 84 and to meet the expenses of the Department. The accompanying financial requirements provide the Board the documentation necessary to submit its budget to the City.

\section*{I. BUDGET OVERVIEW}

The upcoming budget for FY 2017-18 represents the first time the Department will be structurally balanced since FY 2008-09. FY 2009-10 was the first budget cycle when the effects of the "great recession" were felt, requiring the Department to hold open numerous law enforcement and civilian positions since then. FY 2013-14 began a turnaround of sorts in funding, and the Department planned to fill all of its law enforcement positions, while still holding open numerous civilian ones. However, having to cover the costs of pension law changes during FY 2013-14 required this plan to be abandoned. Steps taken during FY 2016-17 to reduce staffing through attrition will now allow the Department to fill all remaining law enforcement and civilian positions and stay within the funding requested.

Table 1 compares FY 2008-09 staffing to what is being requested for FY 2017-18.
\begin{tabular}{|c|c|c|c|c|}

Page 2 of 5
The impact of achieving a structurally balanced budget has caused over 10\% of staff to be eliminated. Operations at even these reduced levels can continue only if City funding increases for the Department at rates similar to that for other public safety.

Overall, the Department's budget has increased by about 1.86\% per year since the year before the recession started to impact appropriations. A comparison of how funding is allocated then and now is reflected in Table 2.
\begin{tabular}{|c|c|c|c|c|}
\hline \multicolumn{5}{|c|}{\begin{tabular}{l}

General Fund Comparison Before and After Recession
\end{tabular}} \\
\hline & \multicolumn{2}{|l|}{Percent of Budget} & Compounded & Compounded \\
\hline & FY 2017-18 & FY 2008-09 & Rate of Change & Rate of Change \\
\hline Appropriation Type & Requested & Adopted & Per Fiscal Year & Per FTE \\
\hline Salaries & 56\% & 60\% & 1.01\% & 2.21\% \\
\hline Pensions & 16\% & 11\% & 6.64\% & 7.91\% \\
\hline Health Insurance & 11\% & 9\% & 3.45\% & 4.67\% \\
\hline Other Wages \& Benefits & 9\% & 10\% & 1.06\% & 2.26\% \\
\hline Total Personnel Costs & 92\% & 90\% & 2.10\% & 3.31\% \\
\hline Non-Personnel Costs & 8\% & 10\% & -0.69\% & 0.49\% \\
\hline Total Budget & 100\% & 100\% & 1.86\% & 3.06\% \\
\hline
\end{tabular}

Pensions and health insurance now represent 27\% of the budget compared to \(20 \%\) previously. This increase has squeezed the amount available for salaries to \(56 \%\) versus \(60 \%\). The reduction in the amount of the budget available for salaries coupled with the fact public safety pay raises exceed increases to annual funding accounts for position reductions reflected in Table 1.

\section*{II. GENERAL FUND}

The General Fund requested budget for FY 2017-18 is \(\mathbf{\$ 2 1 7 , 3 6 9 , 0 4 1}\) as detailed in Schedule 8. The increase of \(\$ 10,133,254\) is based on assumptions contained in the City's Citywide Business Plan 2017-2022, which are discussed below.
- Salary raises will be awarded next fiscal year at the rates of 5\% across the board for sworn Law Enforcement not at top, 3.5\% for top step sworn Law Enforcement and Civilian, and one step on a member's anniversary date. This represents a \(4.1 \%\) change in salaries, which is consistent with other public safety increases provided for in the City's Plan. The cost for these raises plus changes to overtime and salary savings is \(\$ 7,827,932\). This amount includes \(\$ 2,383,848\) representing the additional cost related to raises agreed to for FY 2016-17.
- Health Insurance premiums will be going up \(5.0 \%\) or \(\$ 1,156,440\), as assumed by the City's Plan.

\section*{Kansas City Police Department}

Requested Budget for Fiscal Year 2017-18
Page 3 of 5
- Pensions ARC (annual required contributions) increased for the Department. This means an additional \(\$ 964,719\) will be needed.
- Non-Personnel related items increase by less than 2.0\%, which is consistent with the City's Plan. ShotSpotter gunfire locating system maintenance starts next year at a cost of \(\$ 230,000\), and everything else decreases by \(\$ 45,837\), resulting in a net increase of \$184,163.

\section*{III. DECISION PACKAGE}

I am including one Decision Package for this year's budget concerning civilian dispatcher staffing.
- Civilian Dispatcher Staffing Decision Package - According to APCO (Association of Public Safety Communication Officials) the maximum number of calls per dispatcher should not exceed 12,000 per year. Increasing staffing in the Communications Unit by 21 civilians would decrease the number of calls taken per dispatcher. This will be more in line with APCO's recommendation and other comparable cities, providing quicker response by dispatchers to 911 calls received from the community. The first year cost of a civilian is \(\$ 51,000\). The City Council would need to increase the General Fund requested budget by \(\$ 1,071,000\) in order to fund the additional 21 positions.

\section*{IV. OTHER KEY ISSUES}

The Department faces a number of key issues that also need additional funding:
- Vehicles - The Department needs to replace about 194 vehicles each year at a cost of \(\$ 4,719,500\) in order to remove high mileage and older vehicles that are more prone to downtime and cost more to repair and maintain. Funding provided in the PSST Fund annually is enough to replace about 53 vehicles each year, resulting in unmet needs of 141 vehicles, which is equivalent to another \$3,419,500 in funding.
- Risk Management - The Department is oftentimes represented by the Missouri Attorney General Office (AGO) in regards to legal matters. Missouri statutes also require the AGO to reimburse the Department up to \(\$ 1,000,000\) each year for claims paid. Currently, the AGO is refusing to reimburse the Department for claims paid, and is seeking to have the Department reimburse it for the cost of AGO attorneys. This impacts the Department's ability to pay claims since the only funding available comes from the City in the amount of \(\$ 500,000\) each for settlement of claims and self-funding of risk management.

\section*{Kansas City Police Department}

Requested Budget for Fiscal Year 2017-18
Page 4 of 5
- Body Worn Cameras - The Department has started a pilot program allowing the testing of models, required storage space, operational limitations, privacy concerns and policy development. Costs have not been determined in the event of a Department-wide deployment. Missouri statutes still need to be passed to provide guidance regarding use of body worn cameras. For instance, issues as to whether someone will be able to request the video for what happened in a neighbor's house is unknown.
- E-Ticketing - The Department continues testing replacement devices as well as the next application. About \(\$ 350,000\) will be needed to implement the changeover.
- Recruitment - The Department strives to hire qualified candidates for academy classes and civilian positions while improving diversity, which is the goal of the City Council as enumerated in their Citywide Business Plan 2017-2022. Issues ranging from pay to perception influenced by social media make it hard to acquire this workforce.

\section*{V. OTHER FUNDING}

The Department's budget includes numerous funds in addition to the General Fund. The other funds supplement the General Fund for programs that might not otherwise be accomplished. Other funding consists of amounts provided by other City resources and amounts self-funded by the Department in the Treasurer's Account.

\section*{Other City Funds}

Other City funds appropriations totaling \$15,081,871 are detailed in Schedule 9 and elsewhere. The purposes of the funds are:
- The Downtown Parking Fund funds six positions and vehicle maintenance to enforce parking regulations in the downtown area.
- The PSST Fund supports fleet, helicopter, building operations, and technology costs which used to be funded in the General Fund. Funding for vehicles has not been increased since the renewal of the sales tax. Vehicles cost about \(30 \%\) more, and an increase of \(\$ 300,000\) is being requested.
- The Police Drug Enforcement Fund supported by the Jackson County COMBAT sales tax supports DARE and drug enforcement efforts.
- The Police Grants Fund contains self-funded activity and grants awarded the Department, the proceeds of which are turned over to the City. New grants are anticipated this budget cycle as well as increases to renewing ones which result in an increase to appropriations of \(\$ 1,807,440\). A list of grants may be found in the Police Grants Fund section of the budget.

\section*{Kansas City Police Department}

Requested Budget for Fiscal Year 2017-18
Page 5 of 5

\section*{Treasurer's Accounts Funds}

Self-funded appropriations total \$14,444,296 as shown in detail on Schedule 3 and elsewhere. These activities involve situations where the Board directly contracts with grantors, collects fees for services, receives federally forfeited property, etc. and are included only on the Board's books. These non-City appropriations are also known as the "Treasurer's Account" or "T-Accounts." Most costs in the Treasurer's Account are payments to the City for grants and code enforcement efforts regarding alarms, parades/traffic escorts, and private officer licensing. The City records the payments as revenue on its books, and in return provides appropriations back to the Department.

\section*{Total Funding}

The General Fund plus all other funding totals \(\mathbf{\$ 2 4 6 , 8 9 5 , 2 0 8}\) for FY 2017-18 as shown on Schedule 1. This compares to \(\$ 232,824,751\) for FY 2016-17, an overall increase of \(\$ 14,070,457\) or \(6.04 \%\).

\section*{VI. NUMBER OF PERSONNEL}

Schedule 7 reflects the number of full time Department positions. A total of four grant law enforcement positions were eliminated due to expiration of the Prospect Corridor grant. There are 1,367 law enforcement and 586 civilian positions in the base budget compared to 1,399 and 585, respectively, in FY 2016-17.

\section*{VII. FINAL THOUGHTS}

The funding requested will hold the Department at the reduced levels as stated above. Law enforcement turnover will be forecasted in order to plan entrant officer classes accordingly so that there is a minimal lag in law enforcement being at full strength. The Board has previously resolved that public safety personnel should be treated in an equal manner with regard to incentives and further compensation. I believe this budget's pay is consistent with other first responders.

I recommend the Board approve this budget document for submission to the City Council to meet the needs of the Department in the ensuing fiscal year as required by RSMo Chapter 84. Total requested funding for FY 2017-18 is \(\$ 246,895,208\) of which \(\$ 217,369,041\) is for the General Fund, \(\$ 15,081,871\) from other City funds, and \(\$ 14,444,296\) from Treasurer's Accounts.

2-YEAR COMPARISON OF TOTAL AND NET APPROPRIATIONS

The Board is responsible for enforcement of City Ordinances such as alarm licensing and parade/traffic escorts. The Board is also responsible for statutory compliance with items such as licensing and
firearms qualification of private security officers, and providing copies of police reports. Revenue from these activities is collected by the Board. The Board, in turn, establishes appropriations necessary to forward this revenue to the City. The Board also receives grant awards and remits this funding to the City. Costs to provide the aforementioned and other services are shown in Fund 234 and Fund 239. The above schedule eliminates the duplication/double-counting of these items caused by the Board establishing appropriations to reimburse the City for appropriations the City budgets in Fund 234 and Fund 239.

DEPARTMENT OF POLICE \\ MANAGEMENT \\ ACTIVITY DESCRIPTION
}

The Board of Police Commissioners ("the Board") oversees management of the Kansas City, Missouri Police Department ("the Department"). Day-to-day operational decisions reside in the Office of the Chief of Police.

\section*{Program: Board of Police Commissioners 1000}

Missouri Revised Statutes, Chapter 84:
84.350 "...In all cities of this state that now have, or may hereafter have, three hundred thousand inhabitants and not over seven hundred thousand inhabitants, there shall be, and is hereby established, within and for the cities, a board of police commissioners to consist of four commissioners...together with the mayor of such cities..."
84.360 "...The governor of the state of Missouri, by and with the consent of the senate, shall appoint the four commissioners provided for in section 84.350 ..."
84.420 " 1 . The board of police commissioners shall have the duty and responsibility at all times of the day and night within the boundaries of these cities, and on other public property of these cities beyond the corporate limits thereof to:
(1) Preserve the public peace;
(2) Prevent crime and arrest offenders;
(3) Protect the rights of persons and property;
(4) Guard the public health;
(5) Preserve order at every public election, and at all public meetings and places and on all public occasions;
(6) Prevent and remove nuisances on all streets, alleys, highways, waters, and other places;
(7) Provide a proper police force at fires for the protection of firemen and property;
(8) Protect transients at public wharves, airports, railway and bus stations;
(9) See that all laws relating to elections and to the observance of Sunday, and relating to pawnbrokers, intemperance, lotteries and lottery policies, vagrants, disorderly persons, and the public health are enforced;
(10) Suppress gambling and bawdyhouses, and every other manner and kind of disorder and offense against law and the public health; and
(11) Enforce all laws and ordinances passed, or which may hereafter be passed, by the common council of such cities, not inconsistent with the provisions of sections 84.350 to 84.860 ."
"2. The board shall determine the policy and in fulfillment of the duties and responsibilities herein provided and to this end shall:
(1) Adopt rules and regulations not inconsistent herewith governing the conduct of such police department;
(2) Appoint a chief of police who shall be responsible to the board for the proper execution of the policies, duties, and responsibilities established for the administration of the police department."
84.790 "...The board shall cause a full journal of their proceedings to be kept, and shall also cause all their receipts and disbursements of money to be faithfully entered in books to be procured and kept for that purpose, and said journal, and all said books, and all other documents in possession of said board, shall always be open to the inspection of the general assembly of the state of Missouri or any committee appointed by it for that purpose. It shall be the duty of the board to report to the common council or municipal assembly of the said city at each annual session thereof, the number and expenses of the police force employed by it under sections 84.350 to 84.860 , and all such other matters as may be of public interest..."
84.840 "...The board of such cities shall at least three months before the close of the fiscal year, provide that a certified audit of the police department's accounts for the current year be made by an independent firm of certified accountants ... such audit shall be complete and general in scope, and report of such audit shall be completed and published within sixty days after the close of such fiscal year..."

\section*{Activity: Office of Community Complaints 1005}

The Board established the Office of Community Complaints (O.C.C.) in 1969 to comply with the requirements of RSMo Section 84.430, which mandates that, "The board will hear all complaints and charges against any member of the police department." Thus, under the authority of the Board, O.C.C. is responsible for protecting citizens from the possibility of abuse or misconduct on the part of members of the Department and to protect the members of the Department from unjust and unfair accusations which may be lodged by individuals.

As an oversight agency for the Board, the Department, and the Kansas City community, O.C.C. receives and reviews complaints filed against officers or members of the Department and makes determinations as to whether those complaints should be formally investigated, mediated, or conciliated. In essence, O.C.C. is committed to effectively and impartially resolving all complaints involving a misunderstanding/dispute between an individual and member(s) of the Department. O.C.C.'s goal is to at all times provide professional and appropriate customer service to the Board, the Department, and the community.

\section*{Program: Office of the Chief of Police 1010}

The Chief of Police commands a Department comprised of about 2,000 employees. The City of Kansas City, Missouri ("the City") has a diverse population of about 459,000 and extends over an area consisting of about 318 square miles within four counties. The Chief of Police reports to the Board. The Office of the Chief of Police is responsible for the proper and timely execution of the policies, duties, and responsibilities established for the administration of the Department. The Office of the Chief of Police provides quality and effective support to the various elements of the Department, the Board, and the community.

Under the current organizational structure, the Office of the Chief of Police oversees five bureaus. The bureaus are the Executive Services Bureau, Administration Bureau, Professional Development and Research Bureau, Patrol Bureau, and Investigations Bureau. Each bureau is organized into divisions, which, in turn, are divided into units and sections/watches. The Office of the Chief of Police also oversees an Office of General Counsel, Executive Officer, and Office of Special Projects.

\section*{Activity: Office of General Counsel / Municipal Court Liaison 1010}

The Office of General Counsel's attorneys and legal assistants act as in-house counsel for the Department. OGC reviews new and revised policies; develops and conducts training for Department members; responds to charges of discrimination filed with the Missouri Commission on Human Rights and Equal Employment Opportunity Commission; reviews and resolves workers' compensation lawsuits filed by members; responds to unemployment claims; responds to records requests made pursuant to Missouri's Sunshine Law; schedules Board of Police Commissioners' monthly and special meetings; prepares and disseminates materials for Board meetings, including preparation of detailed minutes of each meeting; and responds to inquiries from Department members of all ranks rendering hundreds of opinions per year on various issues dealing with law enforcement, personnel and other matters. OGC attorneys are responsible for reviewing personnel actions upon request of command and the prosecution of disciplinary actions against Department members. OGC oversees and coordinates the handling of civil litigation filed against the Department, Board and Department members and is involved in decision-making regarding settlement of civil claims and lawsuits. OGC attorneys appear in court on a frequent basis, for example, to file lawsuits against persons responsible for damaging Department-owned property (such as motor vehicle accidents) and to quash subpoenas, respond to expungement actions, or in response to court orders. OGC attorneys write and review hundreds of contracts, memoranda of understanding, and grant documents each year. Attorneys in OGC respond to all officer-involved shootings and also respond to other critical incidents on an as-needed basis.

Court dates for officer testimony in Municipal Court and other matters involving the Municipal Court and its judges are coordinated by a detective assigned to OGC. This detective acts as Municipal Court Liaison. The detective also reviews audio and video before the records are disclosed to requestors, delivers Board materials, works with the Private Officer Licensing Unit on inspections, acts as security for the Mayor's Detail, and performs tasks for the OGC and Chief's Office on an as-needed basis.

\section*{Activity: Risk Management 1015}

The Office of General Counsel administers the Department's self-retention program for liability and vehicle damage claims. Commercial insurance is purchased for non-realty property (building contents, helicopters, etc.) coverage. The City insures buildings, which it provides to the Department. OGC attorneys and legal assistants are frequently asked to report on various risk-management issues, such as contributing ideas to reduce the cost of litigation, workers' compensation claims, and recovering money owed to the Department for damage to Department-owned property.

\section*{Sub-Program: Human Resources Division 1017}

The Human Resources Division is responsible for providing assistance to active and retired employees, hiring qualified employees, coordination of off-duty employment, management of Department benefit programs, and coordinating personnel matters and processing grievances filed by Department members.

\section*{Activity: Employment Unit 1017}

The Employment Unit oversees the activities of the Employment Section, the Polygraph Section, and the Off-Duty Employment Section. The Employment Unit is responsible for administering all aspects of the employment process in a nondiscriminatory manner. The unit also coordinates off-duty employment with members of the Department through SEMS (secondary employment management system).

The Employment Section enhances the Department's role as an Equal Opportunity Employer. This is accomplished by recruiting, processing, testing, and hiring qualified applicants for employment opportunities in a nondiscriminatory manner. Employment opportunities are publicized by means of internal job vacancy postings, outside media advertisement, website posting, automated telephone system, as well as participation in job fairs, school, and community events.

\section*{Polygraph Section 1017}

The Polygraph Section conducts examinations in conjunction with criminal investigations, internal matters, and for pre-employment purposes. The examinations are conducted in support of internal and criminal investigations to assist in resolving issues encountered during those investigations. Examinations are conducted during pre-employment processing to assist in determining the suitability of applicants.

\section*{Off Duty Employment 1017}

The Off-Duty Coordinator oversees, investigates, and approves off-duty employment requests by members and prospective outside employers. The Off-Duty Coordinator conducts regular site inspections on off-duty jobs and handles personnel issues that may arise.

\section*{Activity: Employee Benefits Unit 1017}

The Employee Benefits Unit oversees the activities of the Benefits Section and Personnel Records Section. The Employee Benefits Unit is responsible for preparing and administering the sergeant and captain promotional process as well as the master patrol and detective selection process. The unit also coordinates academic selection activities, bilingual testing, reviewing selection processes, and handling requests from other law enforcement agencies for outside assessors.

\section*{Benefits Section 1017}

The Benefits Section is responsible for the coordination and administration of various Department sponsored employee benefits. These responsibilities include Department programs such as: health, life, and dental insurance for active and retired employees; Section 125 plan; workers' compensation; personnel policies; salaries; job descriptions; random drug screening; physical and psychological examinations; preventive communicable diseases; deferred compensation; college incentives; college tuition reimbursements; medical and child care reimbursements; and coordination of the Department's EEO and affirmative action policies and reporting.

\section*{Personnel Records Section 1017}

The Personnel Records Section is responsible for the administration of personnel actions, i.e., salary adjustments, reclassifications, promotions, transfers, resignations, suspensions, terminations, retirements, etc., in addition to maintaining all permanent personnel files. The section is responsible for sign-in procedures for civilian and law enforcement employees as well as handling the processing for separating members and coordination of benefits upon the death of a Department member. The Personnel Records Section has responsibility for the development and maintenance of the Department's Automated Timekeeping System, the Employee Information System (automated slide cards), and the Computerized Identification System. The section also issues and maintains Department badges and provides the maintenance of the emergency notification system.

\section*{Sub-Program: Executive Officer 1020}

The Executive Officer facilitates the day-to-day operations of the Office of the Chief of Police, employee relations with the FOP Liaison, and quality control. Reporting element is: Media Unit.

\section*{Activity: Media Unit 1022}

The Media Unit was established to provide information on Department activities to the news media for dissemination to the public and to promote cooperation and enhance communication between the Department and the members of the news media.

The Media Unit has as its primary duty the responsibility of providing liaisons with the members of the news media, frequently on behalf of other Department elements. The Media Unit has the responsibility for the production and distribution of the statutorily required annual report. The unit develops and publishes an in-house monthly newsletter, a daily e-mail newsletter, and coordinates award, promotional, and retirement ceremonies, as well as other special events. The Media Unit also provides public relations services and advice to Department elements.

\section*{Sub-Program: Professional Standards Division 1024}

The Professional Standards Division is charged with coordinating matters regarding professional standards. Reporting elements are: Office of Diversity Affairs, Internal Affairs Unit, Community Support Section, and Private Officers Licensing Unit.

\section*{Activity: Private Officers Licensing Unit 1011}

Private Officers Licensing Unit ensures compliance with statutes regarding the control and regulation of private security companies and persons, both armed and unarmed, in the City. The main responsibility is to conduct background investigations, monitor firearm qualifications, and administer an examination to ensure only qualified persons are licensed. Receipts of monies from fees charged in the licensing process support operations.

In its regulatory function, the unit protects the citizen from abuse of authority and the Board from possible liability arising out of the licensing of private security. The unit issues private security licenses and maintains records on approximately 11,000 individuals and two hundred twenty seven (202) private security agencies.

\section*{Activity: Community Support Section - Victim Assistance 1023}

Victim Assistance is responsible for providing enhanced services to violent crime victims, witnesses, and their families. Personnel are responsible to: provide crime victims with timely crisis intervention assistance; inform victims of victims' rights and compensation eligibility in accordance with Missouri constitutional requirements; refer victims to community resources that address needs for shelter, food, clothing, counseling, etc.; serve as police liaison for victims until the case is presented to court for prosecution; update victims on case status; provide victims information on the criminal justice process; serve as the primary contact for crime victims in collaboration with case detectives; and monitor, track, and document victim services activity.

\section*{Activity: Internal Affairs Unit 1025}

The Internal Affairs Unit (IAU) is charged with conducting investigations of internal matters that involve the actions of Department members. These investigations include, but are
not limited to, complaints filed with O.C.C., the disarming and/or the discharge of a firearm by an officer, inquiries into commendable acts by Department members, and any other miscellaneous investigation as directed by the Chief of Police. In addition, IAU is the central repository for case files associated with internal investigations as well as response to resistance reports.

\section*{DEPARTMENT OF POLICE \\ EXECUTIVE SERVICES \\ ACTIVITY DESCRIPTION}

\section*{Program: Executive Services Bureau 1030}

The Executive Services Bureau is comprised of three elements: Fiscal Division, Logistical Support Division, and Building Operations Unit. The Bureau is responsible for the day-to-day financial operations of the Department, including payroll, payment of pensions, and FICA taxes, as well as building operations, including the cleaning, maintenance, and security of Department facilities. The Bureau is also responsible for communications, radio installation and radio repairs, fleet operations, and property and evidence.

\section*{Sub-Program: Fiscal Division 1040}

The Fiscal Division Office is charged with coordinating matters regarding budget, accounting, payroll, asset forfeiture and seizure, purchasing, supply, and private alarms. The Department uses a centralized approach for the Budget, Accounting, and Purchasing Sections to ensure compliance with statutes, Board directives, and internal controls in these areas.

\section*{Activity: Budget Unit 1045}

The manager of the Budget Unit oversees the operations of the Budget Preparation \& Control Section and Alarm Licensing Section.

\section*{Budget Preparation \& Control Section 1045}

The Budget Preparation \& Control Section is responsible for the preparation of the Department's annual budget request and continual review of expenditures and budget balances as each relates to appropriated funds. This section also verifies the Department's payroll before each payday and keeps track of every position on the Department.

\section*{Alarm Licensing Section 1012}

The intent of City Ordinance 970277, which went into effect on July 1, 1997, was to reduce the number of false alarm calls by promoting responsible actions on the part of the alarm companies and alarm users. At the direction of the Board, the Alarm Licensing Section was formed for the purpose of administering the provisions of the ordinance.

Alarm Licensing Section personnel issue permits to alarm users and ensure that alarm companies and users are in compliance with the City's permit ordinances. The section manages alarm records of over 54,000 permit holders and daily updates alarm permit records with alarm dispatch requests, which are under 16,000 annually. The section also conducts False Alarm User Awareness Classes and System Performance Reviews for alarm users who experience excessive false alarms.

\section*{Activity: Financial Services Unit}

The captain of the Financial Services Unit oversees the operations of the Accounting \& Payroll Section, Asset Forfeiture, Purchasing Section, and Supply Section.

Accounting \& Payroll Section 1049
The responsibilities of the Accounting \& Payroll Section fall into four main categories: accounting, payroll, grants, and asset forfeitures. The section processes all financial
transactions for the Department. It ensures Department and statutory policies are complied with regarding acquisition and payment for goods and services. The section processes the Department payroll biweekly. The section also ensures payment of withholding taxes to various governmental entities. Grants are monitored and billed by the section to ensure accuracy and compliance with grant financial guidelines. Asset forfeitures are processed within the section.

The section also performs numerous ancillary functions, including preparing Department financial statements, arranging for Department travel, monitoring travel, training, and discretionary expenditures, and working on numerous special requests for information. The section maintains the Department financial computer system and accounting internal control systems.

\section*{Purchasing Section 1050}

The Purchasing Section is responsible for the procurement of equipment, materials, supplies, insurance, and contractual services used by the Department. These acquisitions may be completed through the formal bid process or by direct purchase using sound procurement practices to maximize, to the fullest extent, the purchasing value of public funds. The Purchasing Section is also responsible for the testing and evaluation of selected equipment and the coordination for delivery of specified products.

\section*{Supply Section 1050}

The Supply Section/Warehouse maintains a store of goods, which supports the operation of the Department. The Supply Section is responsible for providing equipment, uniform needs, and office supplies for all Department elements. The warehouse provides printed materials and paper needs for the Department. The Supply Section also repairs and maintains firearms used by Department members. Meeting these needs requires sound controls over inventory, shipping, receiving, and restocking.

The needs of the Department are constantly changing and evolving as new technology is developed to improve both the safety of the police officer and the public. The Supply Section evaluates new products and reviews safety issues to better support the needs of the Department.

\section*{Sub-Program: Building Operations Unit 1072}

The Building Operations Unit is responsible for over 1 million square feet of working and operational space. This includes the parking lots and grounds of 31 different facilities. The primary goal of the unit is to provide customer service to employees of the Department and the citizens of the community. The unit provides maintenance and janitorial services that promote a safe environment allowing for maximum efficiency.

\section*{Building Security Section 1073}

The Building Security Section is responsible for the overall security of the Headquarters and Communications Buildings. The section is the central repository for all CJIS federal requirements. All non-department employees are screened, documented and allowed access rights through the Building Security Section.

\section*{Sub-Program: Logistical Support Division 1220}

The Logistical Support Division coordinates matters regarding fleet, radios, 9-1-1 calls, and property and evidence.

The Fleet Operations Unit is responsible for the acquisition, maintenance, repair, and disposal of vehicles, along with ordering and stocking the necessary parts and materials to support the fleet. On average, 10,000 repairs are completed annually. Primary goals include maintaining the Department's fleet in a high state of readiness and repair by maximizing available resources to their fullest. In addition, some specialty work is done on covert vehicles leased by the Department and other equipment such as generators. The Fleet Operations Unit is also utilized for special projects when metal fabrication may be necessary. The body shop is responsible for a variety of body and fender repairs ranging from door dings to reconstruction, when cost effective.

The Fleet Operations Unit operates on a 24-7 basis. Monitoring of City owned underground fuel tanks and EPA compliance is handled by this unit. The police service station is a satellite operation that is managed from the unit. It provides around the clock fueling service, towing service, and preventive maintenance to the entire fleet. The Fleet Operations Unit assembled a specialty show vehicle that is shown as its contribution toward Community Policing efforts. This vehicle allows unit members to interact with people from diverse communities within the City.

Activity: Communications Support Unit 1224
Communications Support Unit provides the infrastructure management; technical operation, installation, and maintenance of the Missouri Zone of the Metropolitan Area Regional Radio System (MARRS). This system provides Public Safety and Public Service communications for all Kansas City radio users. This includes Police, Fire, MAST, Aviation, Public Works, Parks and Recreation, Solid Waste, Water, and other City departments. Communications Support also manages the MARRS system database for Platte County, Clay County, Independence/Blue Springs, Jackson County, and Cass County. MARRS provides interoperable communications with Johnson County, KS and a small number of state and federal users. The MARRS system currently encompasses 22,000 users.

Communications Support provides installation and repair of all mobile radio and repeater equipment used by the City. The unit provides technical support and training to users as required, installs, services, and repairs camera systems, sirens and emergency lighting, radar systems, mobile data terminals, vehicular data networks, alarms, and GPS systems.

\section*{Activity: Property \& Evidence Unit 1226}

The Property \& Evidence Section has the responsibility of receiving and storing all evidence, confiscated property, and unclaimed property recovered by members of the Department. In addition, the section is charged with ensuring that evidentiary items recovered are stored and secured in such a manner that their value is retained and that other items are protected from damage and loss. Members of the section are also responsible for attempting to locate owners of unclaimed property and for final disposal of items.

\section*{Activity: Communications Unit 1250}

The Communications Unit is the primary public safety answering point (PSAP) for 9-1-1 calls placed within the geographical boundaries of the City of Kansas City, MO and the Village of Claycomo, MO. All 9-1-1 calls within those boundaries, from landlines and cellular devices, are received by the Communications Unit. They include calls intended for the Kansas City Fire Department and the Claycomo Fire Department which are transferred to their communications facilities as needed. Communications Unit members also process calls placed to the nonemergency lines as well as administrative calls received via the Department switchboard. The

Communications Unit dispatches calls for the City of Kansas City Animal Health department and receives calls for that unit directly when the city Action Center is closed.

Members assigned to the Communications Unit use a computer aided dispatch (CAD) system that is funded by the City. Those members assigned as dispatchers receive calls for service from those assigned as call-takers via the CAD system and dispatch appropriately. The CAD system is used to manage the calls for service, self-initiated, and administrative activity from officers in the field.

\title{
DEPARTMENT OF POLICE ADMINISTRATION ACTIVITY DESCRIPTION
}

\section*{Program: Administration Bureau 1430}

The Administration Bureau is comprised of Information Services Division. The Information Services Division is responsible for technological support and maintenance of computers, the Department network, criminal history record information, and data entry.

\section*{Sub-Program: Information Services Division 1490}

The Information Services Division is comprised of the Special Projects Section, Information Technology Unit, and Information Management Unit. The division supports and meets the information needs of the Department and regional criminal justice agencies. The Information Technology Unit maintains systems, network infrastructure, and personal computers. The Information Management Unit is responsible for the collection, storage, and dissemination of police reports and criminal history information, and manages data entry.

\section*{Activity: \(\quad\) Special Projects Section 1490}

The Special Projects Section is responsible for the management of information technology projects. The section is responsible for researching new technologies affecting Department functions, providing end-user support, and the acquisition of new technology. The centralized resource of technology-based project management aids in more effective and efficient use of Department resources.

The Special Projects Section focuses on providing project management support for new technology and services to the Department. Research of products, coordination of needed resources, and facilitation of the deployment of new technologies are handled by this section. Additionally, compliance issues are addressed and coordinated through this section as it pertains to criminal justice information systems and Department members.

Activity: Information Technology Support Unit 1491
The Information Technology Support Unit consists of two sections: Technology Support and Help Desk.

Technology Support Section 1491
The Technology Support Section provides end-user support for desktop, laptop, printer, and mobile devices. This includes, but is not limited to, researching and testing new hardware and software for end-user deployment as well as the administration of Department video systems, computer images, VDI administration, and VoIP administration. The Department's telecommunications needs are facilitated through this section by way of cellular phones, VoIP phones, Wi-Fi devices, and smart phones.

Help Desk (Data Center Management Section) 1491
The Help Desk is responsible for providing operational support and coverage for system administration and help desk support 24 -hours a day, seven days per week. The section provides level help desk support for the Department. The Department's network is interfaced to provide access to information resources at the Regional Justice Information Service (REJIS),
the Missouri Highway Patrol (MSHP), the Missouri Department of Revenue (DOR), the Kansas Department of Revenue (KDOR), and the National Crime Information Center (NCIC) operated by the FBI.

\section*{Activity: Information Technology Systems Unit 1493}

The Information Technology Systems Unit consists of three sections: Applications Development, Systems Services, and Network Infrastructure.

\section*{Applications Development Section 1493}

The Applications Development Section provides system analysis, design, development, and maintenance services for the applications used to perform the business functions of the Department. The section performs systems enhancements to respond to state, federal and Department mandates, and works with vendors to implement new software releases, modifications, and enhancements. The section responds to the ad hoc reporting needs of the Department to access data in various application systems.

\section*{Systems Services Section 1493}

The Systems Services Section manages the primary information systems that provide processing resources for the Department. The section manages hierarchical and relational database management, and administers storage, backup, and recovery/ business continuity facilities that house and protect the Department's information assets.

\section*{Network Infrastructure Section 1493}

The Network Infrastructure Section maintains and supports the Department's Local (LAN) and Wide (WAN) Area Networks providing connection and communication between end-user workstations, servers, and data resources. The section designs, installs, and configures security and backup solutions for network devices and resources. The section also maintains virus protection, monitors the network for unauthorized activity, and determines the necessity of needed changes or upgrades to network resources.

\section*{Activity: Information Management Unit 1494}

Criminal Records Section 1494
The Criminal Records Section operates twenty-four hours, seven days per week. The section is the primary element responsible for collection, scanning, indexing, security, storage, and dissemination of police reports and criminal history record information in compliance with Department policy and applicable state and federal laws. The section prepares reports for social service agencies, criminal justice agencies, and courts, answers subpoenas delivered to section staff, and serves as the coordinating element for decentralized portions of these functions.

The section fills a customer service role by providing front line services to the general public which includes completing police reports, handling the bonding process, selling reports, and selling criminal history records. Information is processed for computer entry into the computer REJIS system for vehicle notification procedures relating to recovered stolen automobiles, city impound, private tows, and repossessions.

Section personnel assist other elements by performing support functions including but not limited to computer entry, cancellation, and maintenance of the following: orders of protection, exparté orders of protection, city and state warrants, and stolen articles, guns, automobiles, and license plates. The section also does high volume copying for Department
manuals or books and other Department documents; and the processing and distribution of U.S. Mail and interdepartmental mail.

Real Time and RMS Validation (Data Entry) Section 1494
The Real Time Operation is a twenty-four hour function. This operation is responsible for entry and cancellation in the REJIS system of information relating to wants and warrants, stolen automobiles, missing persons, and stolen and lost licenses. Entry of stolen guns, articles, and securities are also entered into MULES and NCIC. Real Time is also responsible for arrest coding as well as sending and relaying messages within the Department and with outside agencies related to wanted persons, recovered autos, and weapons. Real Time operators have the responsibility of updating bond and court date information into the City Municipal Court's web-based computer system for arrests that are booked at the Department.

RMS Validation operators are responsible for the entry for all civil index reports and arrests. It is responsible for reviewing all automated reporting system (ARS) reports and transferring them to the records management system (RMS) for transfer to the National Incident Based Reporting System (NIBRS). RMS Validation operators also correct errors on the NIBRS report and gather statistical information, which is sent to the State of Missouri which then sends it to the FBI.

Reports Distribution Clerks distribute system generated reports within the Department and to outside agencies.

\section*{Digital Technology Section 1494}

The Digital Technology Section maintains and supports the Department's video recording systems, including in-car cameras. The section provides oversight in video related policies, as well as the development, selection, management, implementation, operation, and maintenance of video resources.

\title{
DEPARTMENT OF POLICE PROFESSIONAL DEVELOPMENT \& RESEARCH ACTIVITY DESCRIPTION
}

\author{
Program: Professional Development \& Research Bureau 1440
}

The Professional Development and Research Bureau is comprised of two Divisions: Training Division and Research and Development Division. The Training Division provides basic law enforcement training for new recruits and continuing education for internal members and external agencies that focuses on current best practices in law enforcement. The Youth Services Unit is included within the Training Division. This unit provides youth with life skills, sporting, and drug resistance education while being mentored by police officers. The Research and Development Division provides procedural and policy proposals, impartial research, and program evaluations.

\section*{Sub-Program: Training Division 1480}

Activity: \(\quad\) Training Unit 1480
The Training Unit consists of: the Academic Section, the Physical Training and Defensive Tactics Section, the Professional Training Section, and the Firearms Section.

\section*{Academic Section 1480}

The Academic Section provides POST (Peace Officers Standards and Training) for entrant officers of the Department and other regional law enforcement agencies utilizing classroom instruction, training videos, observed performances, and practical application exercises. The section also networks with many Department elements and other law enforcement agencies to identify future training needs and provide appropriate classes.

Physical Training and Defensive Tactics Section 1480
The Physical Training and Defensive Tactics Section provides Department members and other regional law enforcement agencies training videos, practical application exercises, and defensive tactics training.

\section*{Professional Training Section 1480}

The Professional Training Section is responsible for meeting the advanced training needs of the Department and ensures all sworn members remain compliant with POST standards by maintaining 48 hours of POST certified training during the three year audit cycle. The section networks with Department elements as well as other law enforcement agencies to identify training needs and provides training through seminars and individual classes. The Professional Training Section also coordinates and conducts sergeant, civilian supervisor, and captain's schools. Driver's Training is part of the section and consists of precision driving courses for recruits, Department members, and outside agencies.

\section*{Firearms Training and Tactics Section 1480}

The Firearms Training and Tactics Section is responsible for all firearms training, weapons repair, and maintenance for Department members. This includes annual day and night fire qualifications, yearly officer in-service, recruit training, and training to specialized units as well as providing weapons training and qualification to private security officer working within the City. The section also provides training and the use of the facility to local, regional, and federal agencies.

\section*{Physical Training and Defensive Tactics Section 1480}

The Physical Training and Defensive Tactics Section is responsible for all defensive tactics and physical training programs for Department members. Training provided includes yearly officer and DFO in-service training, weekly recruit training, self-defense for non-sworn personnel, training modified to specialized units, Captain's School, Sergeants'/Supervisors' School, and a variety of catalogue courses. The section coordinates an annual 6-day International Reasonable Use of Force seminar hosted by KCPD. This section also facilitates the Aerobics program, the Veteran's Affairs program, Group Workout Sessions, and Technology classes.

Activity: Youth Services Unit 1485

\section*{Youth Programs Section 1485}

The Youth Programs Section is funded by the General Fund and Police Drug Enforcement Fund. The mission of the section is to provide evidence-based prevention programs such as DARE (Drug Abuse Resistance Education) and GREAT (Gang Resistance Education and Training) to Kansas City students. These programs provide students with information and skills that permit them to make positive decisions and avoid negative influences, allowing them to focus on their strengths and potential. The section works to inspire good decision making and to prevent students from becoming involved in violent behavior, drug and alcohol use, and gang participation. Additionally, the section establishes positive relationships between students and law enforcement, teachers, parents, and other community leaders.

The prevention programs are taught in various public and non-public schools within the school districts of Kansas City, North Kansas City, Park Hill, Center, Hickman Mills, and Platte County. Approximately 5,000 students receive prevention programs and services each year.

\section*{Police Athletic League Section 1485}

Police Athletic League (PAL) Section personnel are responsible for providing activities for youth that offers them the opportunity to interact with police officers and create positive relationships. This is accomplished through designing programs and building key components in the areas of physical activity, homework assistance and academic enrichment, character development, and arts and cultural activities.

The Police Athletic League of Kansas City is a crime prevention program that provides a safe and supervised environment for youths ages 8-18 to come and participate in a wide range of activities. The program offers youth the opportunity to interact with police officers and create positive relationships by participating in educational, cultural, character development, and sports programs. All programs and activities are designed to instill values of integrity, responsibility, self-motivation and teamwork; with the result of improving the quality of life for at-risk youth and reducing juvenile crime and victimization throughout the entire City.

A separate 501(c)3 corporation supports the PAL program by providing for facility and other operational needs.

\section*{Sub-Program: Research and Development Division 1495}

\section*{Activity: \(\quad\) Research and Development Unit 1495}

The Research and Development Division is comprised of two sections; the Policies and Procedures Section and the Research Section. The division provides impartial research, program evaluations, policy, and procedural proposals, allowing for informed decisions based on factual data that has been gathered and presented. The information needed to evaluate the efficiency and effectiveness of the Department in accomplishing its mission is given to the Chief of Police and Executive Command. Research and Development Division members are responsible for presenting completed policies and procedures and projects to the Board of Police Commissioners for consideration.

\section*{Policies and Procedures Section 1495}

The Policies and Procedures Section is responsible for formulating Department policies and procedures. Policy development is accomplished through the updating and revising of procedural instructions, personnel policies, Department memorandums, and all issued Department written directives through both an informal and formal review process. The section completes surveys and questionnaires from outside agencies, ordinances, statutes, and federal laws relating to law enforcement are reviewed to ascertain their impact on the Department.

Research Section 1495
The Research Section analyzes problems, researches solutions, and makes recommendations to enable management to make effective and informed decisions. It also forecasts trends affecting Department operations and anticipates unique challenges to policing. The section designs, produces, and controls Department forms, and creates illustrations for printed and visual presentations. The section assists the Policies and Procedures Section in updating/researching policies. Several members of the section serve as the Department liaison with the International Association of Law Enforcement Planners (IALEP), which builds relationships and expands the Department's information sources. The section serves as a conduit for other Department elements to obtain research or survey information from other agencies.

\section*{DEPARTMENT OF POLICE PATROL ACTIVITY DESCRIPTION}

\section*{Program: Patrol Bureau 2510}

The Patrol Bureau is comprised of eight divisions: six geographically based patrol divisions, the Traffic Division, and the Special Operations Division. Bureau resources are directed toward uniformed patrol functions, the most critical of which is the response to 9-1-1 emergency calls for service. The Bureau also provides for tactical response to critical incidents, traffic enforcement and control, property crimes investigations, and directed patrol activities.

By combining traditional policing methods with community oriented policing strategies, the members of the Patrol Bureau are committed to forming partnerships with the community to solve problems and enhance the quality of life in Kansas City neighborhoods.

\section*{Sub-Program: Construction Division 2510}

RSMo Section 84.450 requires the City to provide the Department with an office and office furniture as it may need. The Department does not own any of the buildings it occupies. Construction Division personnel are responsible for coordinating and developing capital improvement projects, which include renovations to existing buildings and new construction. These duties include assisting in planning, bidding, quality control, acting as a liaison between various City departments and private sector, and the monitoring of funds and expenditures for assigned projects. Personnel oversee projects and coordinate project management to ensure the Department's interests are met.

\section*{Sub-Program: Central Patrol Division \\ Activities: Division Office, Central Patrol 2520}

Central Patrol Division encompasses about 15.4 square miles and has a permanent population of nearly 62,000 residents. This population increases to approximately 100,000 to 120,000 each weekday due to numerous businesses and places of interest located within Central Patrol. The division is bounded by the Missouri river on the north, 47th Street/Ward Parkway on the south, State Line on the west, and Wabash on the east.

There are thirty-seven neighborhood groups, twenty business associations, and four community improvement districts in Central Patrol. There is an abundance of retail and entertainment venues in Central Patrol such as the Country Club Plaza, Crossroads Art District, Crown Center, Downtown Loop, Kauffman Center for the Performing Arts, Power and Light District, River Market, Sprint Center/College Basketball Experience, West Bottoms, Westport, and the Westside. Points of interest include Bartle Hall, Kemper Arena/American Royal Complex, Liberty Memorial, Municipal Auditorium, Nelson Art Museum, and Union Station. Central Patrol is also home to a number of large corporations including American Century, H\&R Block, UMB, Commerce Bank, Utilicorp, DST, and Hallmark as well a many federal, state, and local government offices.

Central Patrol Division and its citizens have established a solid community policing partnership that not only facilitates the current needs of the community, but also looks to the future. Officers and sergeants attend several community meetings each month to deliver crime updates and receive information about crime in the community. There are numerous ongoing projects in the division that exemplify officers working in concert with the residential and business community, as well as in collaboration with local, state, and federal agencies. For instance, there are problem-solving initiatives involving many apartment buildings along Armour Boulevard, the Paseo corridor, as well as downtown. One in particular, the Downtown

Community Task Force, is a group that teams with social service agencies, faith-based organizations, the Mayor's office, mental health providers, and area businesses to deal with the division's homeless population. Others include the Gateway Crimes Task Force that was sponsored by a City Councilperson with a focus to stabilize and improve the City's neighborhoods by addressing activities that are considered gateways to greater criminal involvement. The Task Force is comprised of representatives from law enforcement agencies, including the Central Patrol Division, the court system, school districts, neighborhood leaders, social service agencies, City Council members, and City staff.

Central Patrol distributes a Daily Crime Report to the community. The Daily Crime Report is distributed to effectively communicate and partner with the community to address and prevent crime. This informative report contains a list of crimes committed during the last 24 hours. The report also contains crime maps, crime prevention techniques, and informative public safety topics. The Daily Crime Report is reviewed by approximately 15,000 residents a day and distributed to all neighborhood and business associations who wish to participate.

Central Patrol has partnered with the Central Industrial District and the Westbottoms Business Association (CIDA/Westbottoms Initiative) since 2008 to address and reduce crime and disorder. Since starting this initiative, all crime categories have seen a minimal reduction of \(50 \%\). Utilizing the City Municipal Court's Metropolitan Community Service Program (MCSP), the division has removed over 126,600 pounds of trash and illegally dumped materials, 2,198 tires, and covered/removed over 200 pieces of graffiti.

Property Crimes Section detectives investigate property crimes cases and prepare these for prosecution. Detectives work with patrol officers to receive information on residence and non-residence burglaries, property damage, and some classifications of stealing. Detectives work with the division's crime analyst to determine patterns and identify possible suspects.

Officers are assigned within Central Patrol as community policing action team (CAT) officers. These officers, working in pairs, are assigned to work within designated sectors within the division.

There are two Community Action Network (CAN) Centers within division boundaries. Police officers and a Project Neighborhood "Mobilizer" staff the CAN center. The Mobilizer is a non-police citizen who is educated to provide community related referrals and also functions as a resource provider. The CAN officers are involved in traditional police work and also serve as first line partners that link the community and Central Patrol.

Officers on the day shift are assigned to apartment complexes run by the Housing Authority of Kansas City. These officers work within the boundaries of federally-funded properties in the division. In line with the division's focus on community policing, these officers work with the community to improve the quality of life for those living in the properties, while working closely with the Housing Authority's Department of Public Safety.

Officers are assigned to the Crime Free Multi-Housing Unit. These officers act as a liaison between the Department and the management and owners of residential rental properties. The officers respond to problems with rental properties brought to light by other patrol officers, citizens, and neighborhood groups. The officers also offer a three-phase program to both owners and management. The first phase of the program provides education to owners, managers, and employees of rental properties. The second phase consists of surveying the properties using the "crime prevention through environmental design" standards. The final phase is a safety social hosted by the rental property owners for their residents.

Downtown Foot Beat officers handle calls for service within the downtown loop during the day and evening hours. Officers work closely with the downtown business community,
convention center, and organizations such as the Downtown Council and Central Improvement District.

\section*{Sub-Program: Metro Patrol Division}

Activities: Division Office, Metro Patrol 2530
Metro Patrol Division encompasses about 35 square miles and is home to approximately 90,000 residents. The boundaries of Metro Patrol Division are \(47^{\text {th }}\) Street/Emanuel Cleaver Blvd/Blue Parkway on the north, State Line Road on the west, Blue Ridge Boulevard on the east, and \(87^{\text {th }} / 95\) th Street on the south. Areas of interest located within the division are the Kansas City Zoo, Swope Park, University of Missouri at Kansas City, Rockhurst University, Ward Parkway and Landing Shopping centers, MRI Global, Stowers Institute, Kauffman Foundation, and the Brush Creek Revitalization Project.

The emphasis on community oriented problem solving is reinforced daily through contact with business and home associations, and more than 500 neighborhood and block watch groups. Officers work with these organizations on such topics as home security, personal safety, shoplifting, drug and gang problems, school presentations, and developing relationships that promote a sense of cohesiveness in the community. Community policing within Metro Patrol Division is the responsibility of every division member.

Property Crimes Section detectives investigate property crimes cases and prepare these for prosecution. Detectives work with patrol officers to receive information on residence and non-residence burglaries, property damage, and some classifications of stealing. Detectives work with the Law Enforcement Resource Center's crime analyst to determine patterns and identify possible suspects.

Through a variety of approaches, members and the community are exposed to community oriented problem solving techniques with the ultimate goal being to provide police service in consultation and collaboration with the community whenever possible. Partnerships with neighborhoods, governmental agencies, schools, and businesses continue to grow and evolve with community incentives such as the Community Police Action Cooperative (CPAC) that have played a large part in improving the quality of life of many people who live and work in south central Kansas City.

Metro Patrol has two Community Action Network (CAN) Centers. The first is the 49/63 CAN Center at 5418 Lydia and the second is the Blue Hills CAN Center at 5309 Woodland. These CAN Centers are each staffed by Metro Patrol officers who work closely with CAN team leaders from the community and other agencies to improve the quality of life in the areas they encompass. Metro Patrol officers are also heavily involved in community policing and work with citizens, neighborhood leaders, and various agencies to solve crime and quality of life issues within the Metro Patrol Division.

Crime free multi-housing officers have been assigned and work to improve the quality of life by making apartment complexes safer. These officers work closely with property managers and district officers to facilitate problem solving techniques.

\section*{Sub-Program: East Patrol Division}

Activities: Division Office, East Patrol 2540

\begin{abstract}
East Patrol Division encompasses about 45 square miles and is home to approximately 94,000 culturally diverse residents. The boundaries of East Patrol are Wabash Avenue on the west to the east city limits, and the Missouri River on the north to 47th Street on the south, plus the area of U.S. 40 Highway on the north, 75th Street (Little Blue Road) on the south, Woodson Avenue on the west, and Lee's Summit Road on the east. East Patrol Division is predominantly comprised of residential areas but it is also home to one of the Metropolitan areas largest
\end{abstract}
business and executive Parks. The Truman Sports Complex, consisting of Kauffman Stadium and Arrowhead Stadium, is also located within Division boundaries, increasing the Division's population by an additional 80,000 on game days.

East Patrol is dedicated to a focused deterrence model of crime prevention and enforcement. Weekly crime information sharing and response collaboration meetings are held to focus officers' response to identified criminals and criminal activity.

East Patrol Division appreciates its close working relationship with over 30 active community groups. This is a result of the Division's approach to crime reduction, partnerships formed between the police and community, as well as the involvement of the Community Interaction Officer (CIO) and specialized units within East Patrol. The CIO is a vital asset in bringing police and community together by attending neighborhood association meetings and events, conducting business and residential security surveys, putting on intruder response classes in the schools and churches, and teaching women's safety classes. Division officers have reached out to the community to locate problem areas and work on solutions together by signing community partnership agreements. Additionally, numerous neighborhood clean ups have taken place utilizing Metropolitan Community Service Program workers. Officers are working in designated hot spot areas making positive citizen contacts along with making felony arrests of career criminals. This has helped the division and the Department move toward the strategic plan goal of improving the relationship between the public and police.

East Patrol has a Community Action Network (CAN) Center located at 3449 Indiana where two Community Action Network (CAN) officers are assigned and focus on community policing efforts by working closely with various community organizations.

Property Crimes Section Detectives investigate property crimes cases. Upon completion these cases are submitted to the Prosecutors Office for the filing of charges. Detectives work with patrol officers to receive information on residence and non-residence burglaries, property damage, and some classifications of stealing. Detectives work with the division's crime analyst to determine patterns and identify possible suspects.

East Patrol has four School Resource Officers (SRO) in two of the public high schools located within the boundaries of the Division (Central and Northeast High Schools). The SRO's responsibility is to improve the image of the law enforcement officers in the eyes of the students and community. East Patrol has two officers assigned to Crime Free Multi-Housing. These officers work with property owners and managers to develop better property conditions and screening practices in an attempt to help reduce the concentration of crime in these areas and improve the quality of life for the residents.

\section*{Sub-Program: South Patrol Division}

Activities: Division Office, South Patrol 2550
South Patrol Division is home to approximately 65,000 residents of various ethnic, cultural, and diverse economic backgrounds. It encompasses about 63 square miles of urban, suburban, and rural properties. It is the third largest patrol division in geographical size and population. It is bordered by 87th Street and Bannister Road on the north, the Cass County line on the south, State Line Road to the west, and Lee's Summit on the east. The South Patrol Division is located at the new Police Campus located at 9701 Marion Park Drive. The location provides quick and convenient access to Bannister Road, I-435, and 71 Highway. Sworn law enforcement officers and civilian employees provide services to an area that not only covers large residential areas, but also 32 city parks, two large county parks, and many commercial areas. Several major employers are located in South Patrol Division including: St. Joseph, Truman Medical Center, and Lakewood hospitals, the Honeywell Federal Manufacturing and Technology Plant, and the Ford/Mazda Inter-modal Rail Hub at Richards Gebaur. A new campus for the Cerner Corporation is under development on 290 acres near Bannister Road
and 71 Highway. Six school districts as well as the Crittenton and Ozanam juvenile residential treatment facilities are located within the division.

In addition to responding to calls for service, community oriented policing is an integral function of this division. Division personnel work closely with community leaders, neighborhood associations, and businesses to identify and solve problems. Interaction with over 100 neighborhood associations and literally hundreds of block watch programs has been the key to reducing crime and improving the quality of life for residents.

Property Crimes Section detectives investigate property crimes cases and prepare these for prosecution. Detectives work with patrol officers to obtain information on residence and nonresidence burglaries, property damage, and some classifications of stealing. Detectives work with the division's crime analyst to determine patterns and identify possible suspects. The section also conducts Missouri Department of Revenue retail auto lot inspections and VIN certifications.

The IMPACT policing squad is a valuable tool for the division. The squad focuses on target oriented policing and problem solving by working proactively to identify and solve problems using community input and crime analyst data to select targets for action. The squad uses surveillance, bicycle patrol, and targeted self-initiated activity to pursue goals. Officers also network with other agencies and communities to solve common problems.

Crime-free multi housing officers are assigned to South Patrol to work with management and owners of residential rental properties. These officers work closely with other agencies such as HUD to solve problems in the neighborhoods and rental communities. Officers are implementing a three-phase program which includes education and training for property managers, crime prevention through environmental design analysis of properties, and safety programs for renters.

South Patrol Division strives to provide excellent customer service, proactively identify crime patterns, and develop fast, efficient plans to address those patterns, with the goal to reduce crime and disorder to improve overall public safety and quality of life.

\section*{Sub-Program: North Patrol Division \\ Activities: Division Office, North Patrol 2560}

North Patrol Division is responsible for providing public safety services to citizens living, working, and visiting north of the river. Geographically, North Patrol Division covers about 85 square miles, which is \(27 \%\) of the landmass within Kansas City's corporate limits. Division boundaries are roughly M92 highway to the north, North Oak to the east, Missouri River to the south, and the City limits to the west. The station is currently located at 1001 N.W. Barry Road. A new station is under construction near Kansas City International Airport ( KCl ).

North Patrol Division includes both of the City's airports. KCI is located at I-29 and 291 Highway, and handles in excess of \(7,000,000\) passengers each year. The other is Charles Wheeler Downtown Airport. The division is home to seven large shopping, entertainment, and dining destinations: Tiffany Springs Market Center, The Shops at Boardwalk, Barrywoods/AMC, The Village at Burlington Creek, Briarcliff Village, Zona Rosa, and Creekwood Commons.

North Patrol Division is currently one of the fastest growing areas in the City. Population is currently estimated at 80,000. Business, residential, and entertainment developments are growing rapidly along the \(\mathrm{I}-29\) corridor from 64th Street north to KCl . This growth should continue with the anticipated progress of The Twin Creeks Development area. Innovative community oriented policing tactics have been successful in maintaining a high quality of police service. Division personnel have initiated a close working relationship with many community organizations.

Property Crimes Section detectives investigate property crimes cases and prepare these for prosecution. Detectives work with patrol officers to receive information on residence and non-residence burglaries, property damage, and some classifications of stealing. Detectives work with the division's crime analyst to determine patterns and identify possible suspects. Property Crimes Section detectives work closely with other law enforcement agencies to suppress crime and identify perpetrators.

Northland Neighborhoods Inc., The Northland Regional Chamber of Commerce, The Clay County Economic Council, The Platte County Economic Council and the Northland Community Alliance have been highly successful in developing partnerships and linking neighborhoods, businesses, City, and police services together. Approximately 168 neighborhood groups work with North Patrol Division officers to deter crime and assist in maintaining a high quality of life. Neighborhood groups include organized block watches, neighborhood associations, and home associations. These organized groups are continuing to form both in the more established neighborhoods and newly developing areas.

\section*{Sub-Program: Shoal Creek Patrol Division \\ Activities: Division Office, Shoal Creek Patrol 2570}

The Shoal Creek Division encompasses about 75 square miles with an estimated population of over 90,000. The borders of the division are M-92 Highway to the north, North Oak Trafficway to the west, Interstate 35 to the east, and the Missouri River to the south, representing approximately \(23 \%\) of the City's land area. There are ten municipalities or jurisdictions that surround Shoal Creek. This creates a very unique opportunity for the men and women of the division to interact and work with adjoining agencies.

The division continues to change rapidly as the rural area gives way to expanding residential communities and business and industry growth. Numerous City and county parks, including the Hodge Park Complex, Pleasant Valley Complex, and the Western Missouri Soccer Complex are located within the division. Shoal Creek Patrol Division also has several key points of interest for tourism such as Worlds of Fun, Oceans of Fun, and Ameristar Casino that attract more than 1.5 million visitors annually. The Hunt Midwest subtropolis, the world's largest underground storage facility, is also located in the Shoal Creek Patrol Division. The I-35 and Highway 152 corridors contain one of the largest retail and dining areas in the northland.

The growth of the northland area has caused corresponding traffic congestion and crime related problems. An example of this is at I-35 and Highway 152 which includes retail development, restaurants, and residential expansion into the surrounding area. These challenges have required both traditional and innovative community oriented policing tactics by officers assigned to the Shoal Creek Patrol Division. The Impact Squad works proactively with different elements to locate and suppress criminal activity within the division.

Special programs, such as the Metropolitan Community Service Program (MCSP) have enabled Shoal Creek officers to partner with the community in cleaning neighborhoods in the northland. The integration of Crime Free Multi-Housing officers within the Shoal Creek Property Crimes Section has provided an important problem-solving tool in working with multi-family dwellings and low income housing, where problems have existed for many years. Although not dedicated full time, Shoal Creek Patrol Division has two ATV's assigned to the Impact Squad which can be staffed by trained officers as dictated by any specific need that arises. Through a close cooperative relationship with Kansas City Parks and Recreation, the division has the ability to respond with ATV's to concerns or criminal activity at parks or rural areas within division boundaries.

Division personnel have initiated close working relationships with many community organizations. These groups include, but are not limited to: Clay County Economic

Development Council, Northland Neighborhoods, Inc., Northland Community Alliance, Northland Chamber of Commerce, the Metropolitan Community Colleges, and both the North Kansas City and Liberty School Districts. Shoal Creek Patrol Division has four high schools within its boundaries: Oak Park, Winnetonka, St. Pius, and Staley.

Property Crimes Section detectives investigate property crimes cases and prepare these for prosecution. Detectives work with patrol officers to receive information on residence and non-residence burglaries, property damage, and some classifications of stealing.

Division members have established partnerships with approximately 95 neighborhood groups to deter crime and assist in maintaining a high quality of life. These groups include organized block watches, and neighborhood and homes associations. With the assistance of division staff, organized groups are continuing to form both in established neighborhoods and developing areas.

\section*{Sub-Program: Traffic Division 2580}

The Traffic Division provides support to other Department elements in a variety of highly specialized areas. The Traffic Division is comprised of the Traffic Enforcement Unit and Traffic Investigation Unit. These units work closely with the Patrol Bureau by addressing crime and traffic problems. In addition, the Traffic Division plays a major role in coordinating special events, dignitary visits, and assists other division commanders with critical incident management.

\section*{Activity: Traffic Enforcement Unit 2580}

Traffic Enforcement Section 2580
The Traffic Enforcement Section's primary goal is to increase driver safety through targeted traffic enforcement and by providing point control around areas of traffic congestion. The section is responsible for enforcement of the City's Uniform Traffic Code and providing traffic control during critical incidents, special events, and any other incident that may impede normal traffic flow throughout the City. The section permits parades pursuant to Section 70-263 of the City Code of Ordinances.

\section*{Parking Control Section 2581}

Parking control squads, which are made up of civilian parking control officers, enforce parking ordinances throughout the City, with emphasis on neighborhood disorder issues.

\section*{Downtown Parking 2582}

The City's Parking Garage Fund provides dedicated revenue to employ up to six civilian parking control officers to enforce parking ordinances in the downtown corridor.

\section*{Activity: Traffic Investigation Unit 2580}

Traffic Investigation Section 2580
The Traffic Investigation Section is responsible for follow-up investigations of fatal and serious injury crashes as well as the preparation and submission of those cases to the county prosecutor for filing of state charges. The Traffic Investigation Section is also responsible for submitting state cases on driving under the influence, driving while revoked, and felony eluding charges. Additional responsibilities include follow-up investigation of hit and run crashes.

The Accident Investigation Section (AIS) is responsible for the thorough investigation of vehicular crashes, with special emphasis on those cases resulting in death or serious injury. AIS officers also respond to most police-involved collisions that result in physical injury. AIS officers receive specialized training that allows them to complete detailed reconstructions of major vehicular collisions in order to determine causes and examine the appropriateness of criminal charges. AIS officers also provide training in crash investigation at the Department's Training Academy, and serve as subject matter experts for the Office of General Counsel.

\section*{DUI Section 2580}

The Driving Under the Influence (DUI) Section is responsible for citywide enforcement of impaired driving offenses. In addition to self-initiated enforcement, the DUI Section responds to calls from patrol officers who have stopped impaired drivers and conduct processing of those individuals. This allows the patrol officer to return to service more quickly and handle other duties. The DUI Section also administers the Department's Drug Recognition Evaluation (DRE) program, and is also responsible for maintenance and monthly certification of all Department breath analysis instruments. The DUI Section additionally conducts numerous sobriety checkpoints throughout the year.

\section*{Commercial Vehicle Enforcement Section (grant funded)}

Costs to operate the Commercial Vehicle Enforcement (CVES) Section are funded by a grant and budgeted in the Police Grants Fund 239. CVES is responsible for the inspection of commercial vehicles (trucks and buses) and drivers for compliance with city, state, and federal motor carrier safety regulations, as well as for any specialized enforcement resulting from those inspections. CVES officers also specifically inspect hazardous material shipments, including cargo tanks, for compliance with regulations and enforce commercial vehicle compliance with bridge weight limits throughout the city. When requested, members respond to fatality, serious injury, or extensive property damage vehicular crashes involving commercial vehicles. CVES officers' conduct educational safety programs with industry and citizen groups, as well as First Responder Hazardous Material Awareness training for entrant officers at the KCPD Academy.

\section*{Activity: Detention Services Unit 2589}

The Detention Services Unit is responsible for the coordination of detention operations between the Police Department, the Jackson County Detention Center and the Municipal Court. Detention Services provides a 24 hour presence within the Jackson County Detention Center through the Population Control Coordinator. Individual patrol divisions provide temporary detention of individuals arrested for violations of City ordinances, state, and federal statute violations.

\section*{Sub-Program: Special Operations Division 2590}

Activities: Division Office, Tactical Response Teams 2590
The primary responsibility of the Special Operations Division is to train for and respond to Operation 100's. An Operation 100 is an incident involving sniper attacks, armed and barricaded persons, or hostage situations. The division is comprised of the division office and three tactical teams and Patrol Support Unit, all of which have city-wide responsibilities.

Additional responsibilities include serving as a support mechanism for virtually all Department elements. The division is able to provide a concentrated response to specific crimes and unlawful acts in any given location within the community. Tactical response teams are also utilized to handle the staffing needs for special events, crowd control, riots, protests,
demonstrations, dignitary protection, fugitive apprehension, covert operations, preventive patrol, search warrant execution, color guard, honor guard, and firing detail for funerals of active and retired Department members. Tactical response teams are also the primary law enforcement responders for critical incidents involving weapons of mass destruction that occur in the Kansas City metropolitan area.

\section*{Activity: Patrol Support Unit 2591}

The Patrol Support Unit provides support to the six patrol division stations in the prevention of crime and the apprehension and prosecution of offenders. The specialized services of the Canine Section, Helicopter Section, Bomb and Arson Section, and Mounted Patrol Section are deployed in response to calls for service, as well as self-initiated target area patrol, with an emphasis on patrolling areas of high crime and where pattern offenders are most active. The unit also provides support to a variety of other public safety efforts, which include, but are not limited to, dignitary protection, mutual aid responses to other jurisdictions, traffic enforcement, intelligence gathering, crowd control, evidence detection, disaster control, and general security.

\section*{Canine Section 2591}

The Canine Section utilizes specially trained dogs to provide detection services for many situations including, but not limited to, pursuing fleeing suspects, article searches, narcotics, bomb detection sweeps in response to threats, as well as advanced sweeps for events and dignitary visits. The Canine Section also plays a key role in responding to calls for service with an emphasis on providing patrol in high crime areas where pattern offenders are the most active.

\section*{Helicopter Section 2593}

The Helicopter Section is responsible for providing support to other Department elements through airborne observations. The pilot/observer teams are used in patrol, aerial surveillance, vehicle and foot pursuits, emergency and disaster management, tactical operations, narcotic operations, searches, traffic enforcement, and intelligence gathering.

\section*{Bomb \& Arson Section 2594}

The Bomb \& Arson Section specializes in investigating bombings, bomb threats, recovery/disposal of explosives, and arsons, which include the investigation of fires of a suspicious nature.

\section*{Mounted Patrol Section 2595}

The Mounted Patrol Section augments patrol division stations. As an elevated platform, mounted officers have a better view of the surroundings with the ability to quickly move to an incident. Mounted Patrol officers assist other officers with patrolling high crime areas, calls for service, search and rescue, crowd/traffic control, and special assignments at events and critical incidents as designated by the Patrol Support Unit Commander. Mounted officers will also be involved in instructing in youth equestrian programs in partnership with City's Parks and Recreation Department and the Police Athletic League.

\section*{DEPARTMENT OF POLICE \\ INVESTIGATIONS ACTIVITY DESCRIPTION}

\section*{Program: Investigations Bureau 2610}

The Investigations Bureau consists of the following Divisions: Law Enforcement Resource Center Division, Violent Crimes Division, KC NoVA (Violent Crimes Enforcement) Division, Narcotics and Vice Division, and Regional Criminalistics Division.

The Investigations Bureau is responsible for the investigation of reported crimes leading to the identification, apprehension, and prosecution of persons responsible for crimes against people, crimes related to deceit, fraud, or forgery, and those involved in the possession and distribution of illegal narcotics. Support services are provided through a systematic and analytical process of criminal intelligence and collection, preservation, and forensic examination of evidence, as well as investigating missing persons including juveniles.

\section*{Sub-Program: Law Enforcement Resource Center Division 2612}

The Law Enforcement Resource Center encompasses real time crime information analysis including terrorism threats.

\section*{Activity: Information Analysis Unit 2612}

The Information Analysis Unit is tasked with the responsibility of providing criminal intelligence and analytical services to law enforcement elements both within the Department and to outside agencies in the metropolitan area. Unit personnel assist other law enforcement personnel in the identification, apprehension, and prosecution of perpetrators; and are responsible for the collection, processing, storing, analyzing, disseminating, and purging of criminal intelligence information managed by it. Unit analysts coordinate efforts with detectives who gather information by field observation, confidential information sources, and public records to assist them by providing extensive case analysis when requested.

\section*{Terrorist Early Warning (TEW) and Homeland Security Section 2613}

TEW is tasked with coordinating efforts in the prevention, deterrence, and response to possible threats of terrorism. The section is the liaison with local, federal, and state intelligence entities, as well as private entities in the region regarding crime to include terrorism. This section is responsible for gathering intelligence information used to recognize and forecast trends in risk management and crime issues to assist command staff in the deployment of personnel and resources to improve the overall efficiency of the Department.

\section*{Critical Incident Site Management Section 2613}

The Critical Incident Site Management Section is located at the City's Emergency Operations Center (EOC) and is responsible for administering the Department's critical incident site management system. This system is a computerized catalog of action plans designed to provide first responders with immediate access via their car computers. Through school, community, and business involvement, plans are prepared in advance so that first responders have access to vital information such as evacuation points, perimeter assignments, and locations for establishing a command post, as well as detailed floor plans of the structure. The section also maintains a portable database to provide on-site GIS aerial mapping.

The Intelligence Unit monitors traditional and non-traditional organized crime, terrorist/extremist groups, threats to public officials, and persons or groups responsible for public disorder. The unit also assists other agencies and Department elements by providing intelligence data, surveillance support, and technical assistance as well as conducting specialized investigations as directed by the Chief of Police.

The unit is a member and operates under the guidelines of the National Law Enforcement Intelligence Unit (L.E.I.U.). This enables sharing of intelligence data and regulates the lawful collection, storage, analysis, and dissemination of criminal intelligence, under 28 CFR 23.

\section*{Sub-Program: Violent Crimes Division 2620}

The Violent Crimes Division investigates reported acts of violence such as homicides, rapes, assaults, suicides, robberies, sex offenses, telephone harassment, and child abuse/neglect situations. The division also investigates crimes associated with domestic violence. The Violent Crimes Division works closely with other local and federal law enforcement agencies in an effort to help reduce crime and identify possible suspects and crime patterns. The division has the responsibility to gather and present information and evidence to the appropriate prosecutor, which assists in the prosecution of perpetrators.

\section*{Activity: Homicide Unit 2620}

The Homicide Unit directs the forensic investigation of violent crimes against persons encompassing homicides, police involved shootings, aggravated assaults, and non-aggravated assaults. The unit is responsible for the investigation of suicides, fire deaths, and deaths from other than natural causes. The Homicide Unit operates two shifts on a 16-hour basis with call back during overnight hours and is comprised of four homicide investigation squads and two assault squads. The assault squads on Watch II and Watch III work seven days a week to accommodate assault victims. The Police Incident Team (formerly police shooting team) is comprised of members from both assault squads. The team investigates all police involved shootings.

\section*{Activity: Robbery Unit 2620}

The Robbery Unit consists of the Robbery Section, Economic Crimes Section (formerly the Fraud and Forgery Sections), and the Generalist Squad. The Robbery Unit directs the forensic investigation of crimes which includes all types of robberies, forgeries, fraud, identity theft, and all inclusive violent crimes that occur from 11:00 p.m. to 07:00 A.M.

Robbery Section 2620
The Robbery Section investigates robberies, including bank, business, street, residence, and purse snatching offenses. The unit works closely with other Violent Crimes Division personnel and Department elements, as well as federal, state, and municipal agencies to investigate crimes and apprehend perpetrators.

Economic Crimes Section 2620
The Economic Crimes Section is responsible for the investigation of offenses relating to embezzlement, fraudulent use of a credit device, trafficking in identifications, failure to return rental property, utility/telephone/cable service theft, financial exploitation of the elderly, identity theft, impersonating another person, extortion, and other stealings where fraud or deceit are
involved. They are also responsible for investigating forged checks and documents, check kiting, possession of forgery instruments, check related identity theft, and various forms of counterfeiting, e.g., currency, money orders, traveler's checks, cashier's checks, etc.

\section*{Generalist Squad 2620}

The Generalist Squad investigates Violent Crimes that occur during the overnight hours. They also are responsible for the call out of additional resources if warranted and making sure appropriate personnel are contacted. They are a resource for officers in the field who may need certain questions answered during the overnight hours when staffing is limited.

\section*{Activity: \(\quad\) Special Victims Unit 2620}

The Special Victims Unit investigates crimes where the victims are children, spouses, family members, men and women that are victims of sexually based crimes, and people who are missing (including adults and juveniles).

\section*{Domestic Violence Section 2620}

The Domestic Violence Section investigates domestic crimes involving adults, including violations of orders of protection, assaults, robberies, felonious restraint, and stalking. The Domestic Violence Section also investigates harassment not of a sexual nature and cases of elder abuse.

\section*{Crimes Against Children Section 2620}

The Crimes Against Children Section investigates crimes against children, specifically, child abuse, child abductions, and sex crimes where the victim is a juvenile. The section also investigates criminal child custody matters. The section is the caretaker of juvenile offender records.

\section*{Sex Crimes Section 2620}

The Sex Crimes Section investigates adult sex crimes, domestic violence/ rape/sodomy cases, abductions/kidnapping, stalking, and harassment of a sexual nature.

\section*{Missing Person/Cold Case Section 2620}

The Missing Person/Cold Case Section investigates adult citizens that have been reported missing and the circumstances are suspicious, or there is a possibility of harm to the missing person. The section also investigates juveniles who are missing, and follow ups on credible leads to homicides and sex crimes that are more than 5 years old.

\section*{Sub-Program: KC NoVA Division 2615}

The division's primary task is to implement a Focused Deterrence Policing Model to reduce violent crime, primarily homicides and assaults, in Kansas City's urban core. The Kansas City No Violence Alliance (KC NoVA) is a collaborative effort of the Department, City, Jackson County Prosecutor's Office, ATF, UMKC, Missouri Probation and Parole, and the United States Attorney's Office to reduce violent crime in the City. This project is utilizing intelligence, social service outreach, and community involvement coupled with strict enforcement and prosecution to prevent recurring cycles of violent crime.

The Violent Crimes Enforcement Unit supports Focused Deterrence efforts through violent crime apprehension, prevention, intervention and reduction strategies. These strategies are founded in intelligence based policing and are data driven. Violent Crimes Enforcement Squads target specific criminals identified and associated with violent networks actively involved in committing violent crime. When not involved in an enforcement effort, the unit reaches out to known violent networks with custom messages in an effort to provide social services and assistance as a way out of these violent networks.

\section*{Fugitive Apprehension \& Arraignment Section 2622}

The Fugitive Apprehension \& Arraignment Section has a tri-fold responsibility: obtaining warrants and handling arraignments in cases which are the result of police investigations, serving local and outside felony warrants and local misdemeanor warrants, and investigating reports of missing persons (adult) when circumstances dictate. In addition, the section is responsible for notifying members when they are subpoenaed or otherwise required to appear in state or federal court. The section works closely with state and federal prosecutors, other Departmental elements, and outside city, state, and federal law enforcement agencies. This includes a joint task force that has traditionally worked with the U.S. Marshal's Service and/or the Federal Bureau of Investigation.

\section*{Activity: Violent Crime Investigative Unit 2624}

Violent Crime Intelligence Squad 2624
The Violent Crimes Intelligence Squad is designed to collect and disseminate intelligence and data on individuals and groups involved in violent crime. The squad remains a neutral investigative entity that gathers criminal intelligence for all Department operational units to drive violence reduction and prevention strategies.

\section*{Violent Crime Investigative Squad 2624}

The Violent Crimes Administrative Squad supports the investigative needs of the Department as a whole, and is aggressive in its efforts to seek out and pursue successful prosecution of individuals identified and associated with violent networks actively involved in committing violent crime.

\section*{Gang Squad 2624}

The Gang Squad is a multi-agency squad consisting of a sergeant and detectives, and an agent from Homeland Security that is permanently assigned. The squad identifies, targets, and presents criminal cases on individuals and/or groups who are involved in gang activity or violent crime utilizing mostly covert means. The Gang Squad works in a cooperative effort to assist other Department elements and outside agencies in suppressing gang activity. The Gang Squad has and Assistant U.S. attorney permanently assigned to the squad to assist with gang prosecutions.

\section*{Illegal Firearms Squad 2624}

The Illegal Firearms Squad, working in conjunction with the Bureau of alcohol, Tobacco and Firearms and Explosives is responsible for investigating crimes involving illegal sales, use, distribution, and manufacture of firearms. The squad uses various resources to trace weapons used during the commission of a violent crime or sold through illegal means. Criminal cases are presented in the federal, state, and municipal criminal justice systems. Targeting problem locations is the primary way of impacting community quality of life issues.

\section*{Sub-Program: Narcotics and Vice Division 2660}

The Narcotics and Vice Division is responsible for investigating crimes that are related to narcotics, illegal firearms, gangs, and vice activities (alcohol, prostitution, and gambling), and works closely with other federal, state, and local agencies in an effort to suppress crime and identify perpetrators. Completed cases are presented for prosecution at city, state, and federal judicial levels.

\section*{Activity: Drug Enforcement Unit 2660}

The Drug Enforcement Unit (DEU) investigates mid and upper level dealers engaged in the trafficking of illegal drugs. Investigations are conducted in cooperation with federal, state, and county agencies. Criminal cases are presented in the state and federal criminal justice systems. Narcotics organizations and groups are the primary targets.

Drug Interdiction Section (grant funded 2740-44)
The Drug Interdiction Section is a multi-agency task force including Postal Inspectors, DEA Agents, Jackson County, Clay County, and Platte County. Partial funding is provided by the Missouri Western Interdiction and Narcotics Task Force (MOWIN) grant. Task force officers conduct interdictions at public transportation facilities in an effort to intercept or interrupt the flow of illegal drugs coming into, passing through, or leaving the metropolitan area. The Drug Interdiction Section also conducts hotel/motel, parcel/post, and knock and talk interdiction programs. The Drug Interdiction Section is a multi-agency squad consisting of Department sergeants and detectives, Postal Inspectors, DEA Agents as well as Jackson County, Clay County and Platte County Drug Task Force officers that are all permanently assigned to the squad.

\section*{Activity: \(\quad\) Street Crimes Unit 2660}

The Street Crimes Unit is responsible for undercover and tactical enforcement regarding retail street level narcotics sales and investigation of gang activities. The unit also investigates vice related crimes (e.g., prostitution, escort services, liquor violations, tobacco violations, gambling violations, etc.). Criminal cases are presented in the federal, state, and municipal criminal justice systems. Targeting problem locations is the unit's primary way of impacting community quality of life issues.

Vice Section 2660
The Vice Section is charged with investigating prostitution, escort services, liquor violations, tobacco violations, gambling violations, after-hours party houses, adult nude and semi-nude businesses, tattoo and body piercing businesses, internet child pornography, child enticements on the internet, and human trafficking. Criminal cases are presented in federal, state, and municipal criminal justice systems.

\section*{Financial Investigations Section 2660}

The Financial Investigations Section performs in-depth criminal investigations into violations of federal statutes pertaining to narcotic nexus, money laundering, conspiracy, and offenses with financial motives. The overall objective of the section is the identification of hidden assets and the seizure of those assets primarily through federal prosecution.

The Career Criminal Section is a multi-agency task force consisting of Department detectives and Independence, MO Police Department detectives, FBI, ATF, U.S. Marshals. The FBI and U.S. Marshals federally deputize all detectives assigned to the task force. Federal agents are permanently assigned to the task force. The task force identifies, arrests, and aids in the prosecution of violent career criminals and persistent offenders. The section operates in both covert and overt modes, utilizing surveillance, informants, and undercover techniques. Most of the cases generated are submitted to the federal prosecutor.

\section*{Sub-Program: Regional Criminalistics Division 2683}

The Regional Criminalistics Division's provides expert and professional recovery and examination of evidentiary materials to aid in the investigation of criminal offenses. State-of-theart instrumentation and/or scientific techniques are utilized in the forensic disciplines of chemistry, crime scene processing, firearms/tool mark examinations, fingerprint recovery preservation and comparison, photography, digital and multimedia evidence, trace evidence examination, and DNA profiling. Expert testimony is provided to aid in the prosecution and defense of criminal defendants. Training of law enforcement and criminal justice personnel is also an important function.

\section*{Chemistry Section 2683}

The primary focus of the Chemistry Section is on the analysis of drugs of abuse. A wide variety of illegal drugs are seen, including cocaine, methamphetamine, heroin, and PCP. Drug facilitated sexual assault drugs like GHB, prescription controlled substances like Oxycontin, and synthetic drugs like bath salts are also encountered. Clandestine laboratories like those manufacturing methamphetamine are processed by chemists who collect and process items on location, and are equipped with mobile lab processing vehicles.

The Chemistry Section also conducts the analysis of fire debris samples from suspected arson scenes to identify accelerants like gasoline that may be present. Drug Facilitated Sexual Assault screening of urine is also performed.

\section*{Crime Scene Investigation Section 2683}

The Crime Scene Investigation Section is responsible for responding to crime scenes on a twenty-four hour basis. Each member is trained in the identification, collection, and preservation of evidence at crime scenes. Furthermore, the responding member documents the location, condition, and context of the evidence through diagrams, narrative reports, and photography. These skills are essential to admit evidence into court through testimony.

DNA Section 2683
The DNA Section is responsible for locating and identifying biological material and determining who may have left that biological material at a crime scene. The section locates and identifies cells, hairs, and biological stains such as blood, semen, or saliva which are suitable for DNA testing. Identifying the source of the biological material is done through the generation of a genetic profile which can be compared to a known sample from an individual such as a victim or suspect, or in cases with no known suspect, to the Combined DNA Indexing System (CODIS) in hopes of matching the sample to a convicted offender or previously identified sample from laboratories across the country. The section also assists in the identification of missing persons and unidentified remains through comparisons of family reference samples and the CODIS database.

The Fingerprint Identification Section is responsible for the real time identification of subjects who are currently in custody. The section investigates and resolves identity theft issues and offense challenges for citizens and the courts. In addition, the section is the primary source for immediate identification of homicide, traffic fatality, suicide, and other victims of unattended death. The section also provides a public, fee-based fingerprinting service.

\section*{Latent Prints Section 2683}

The Latent Print Section analyzes developed latent prints and also uses various chemical, physical, and photographic techniques to process items of evidence that cannot be routinely processed in the field. The examiners compare prints that are of value for identification to known prints of victims, eliminations, and/or suspects. If possible, unidentified prints are entered into the Missouri State Highway Patrol's Automated Fingerprint/Palm Print Identification Systems (AFIS/APIS), the Kansas Bureau of Identification (AFIS), and the FBI's Integrated AFIS (IAFIS) in attempts to identify these prints. The Latent Print Section is also responsible for the analysis and the processing of evidence for footwear and tire tracks, and any comparisons that can be done.

\section*{Firearms and Toolmark Section 2683}

The Firearms and Toolmark Section is responsible for the test firing and examination of firearms and ammunition components. Ammunition components are those items such as, bullets, cartridge cases, shotshells, wadding, and shot. The components are compared to each other and submitted firearms to determine if they were fired in one or multiple firearms. If a firearm has an obliterated serial number, examiners perform a serial number restoration in an attempt to restore the serial number, if possible. The section utilizes a digital imaging database of the cartridge cases called the National Integrated Ballistic Information Network/Integrated Ballistic Identification System (NIBIN/IBIS) which allows examiners to possibly link cases that otherwise would not have been linked. Examiners in this section are also responsible for the comparison tool marks left at a scene to a suspect tool and muzzle to target distance determination.

\section*{Forensic Computer Crimes Section 2683}

Department members are assigned to the FBl's Heart of America Regional Computer Forensic Laboratory (HARCFL), a one stop forensics laboratory and training center devoted to examination of digital evidence in criminal investigations such as terrorism, child pornography, violent crimes, trade secret theft, theft or destruction to intellectual property, financial crime, property crime, Internet crimes, and fraud. Examiners at the HARCFL not only conduct computer examinations, but also assist agencies in the preparation and execution of search warrants. Training is provided for agencies in the "Investigative Review" of computer evidence after the evidence has been forensically gathered and prepared in order to not manipulate or destroy it, as well as other training in "Forensic Concepts" in regard to digital evidence. The HARCFL also provides services for cell phone extraction, video collection and enhancement, and court testimony. The HARCFL is an ASCLD/LAB accredited laboratory.

\section*{Forensic Photography and Digital Multimedia Section 2683}

The Forensic Photography and Digital Multimedia Section is responsible for analyzing evidentiary videos and specialized photography. In addition to frame-by-frame analysis of evidentiary videos, the section assists detectives with recovering and viewing surveillance video. The section has the ability to determine the frame rate at which a video was recorded, analyze the file structure, identify and explain potential artifacts, and calibrate the aspect ratio of
a video, if necessary. Personnel have also been trained in photo comparison of clothes, vehicles, and other items that have individual characteristics. This section manages most of the digital images taken by Department equipment and distributes them for the legal system. The section digitally processes evidentiary images to allow for comparison by other forensic examiners.

\section*{Trace Evidence Section 2683}

The Trace Evidence Section has several principal functions. The section is responsible for locating, characterizing, and comparing materials such as hairs, fibers, paint, glass, tape, and condom lubricant traces. The section performs bloodstain pattern analysis, vehicle lamp examinations, and physical matches each of which offers reconstructive information to the criminal justice system. A battery of tests and instruments are utilized to accomplish each task.

\title{
DEPARTMENT OF POLICE \\ BENEFITS \\ ACTIVITY DESCRIPTION
}

Certain transactions recorded in the books and records of the Department do not flow through the normal, centralized procurement process. Transactions involving pension payments and FICA taxes are paid directly by the City on behalf of the Department, but are recorded as expenditures by the Department since they are part of the annual budget.

Other transactions such as separation pay, health, life, and other employee benefits are accounted for in centralized accounts and not allocated to specific programs.

\section*{Program: Law Enforcement Pension 1100}

The City makes its contribution directly to the Kansas City Police Employees' Retirement System, a separate state entity, every 28 days.

\section*{Program: Civilian Pension 1110}

The City makes its contribution directly to the Kansas City Police Employees' Retirement System, a separate state entity, every 28 days.

\section*{Program: FICA (Federal Insurance Contribution Act) Taxes 1111}

Medicare is \(1.45 \%\) for law enforcement hired after April 1, 1986, and all civilians, and Social Security is \(6.20 \%\) for civilians. Law enforcement members hired before April 1, 1986, are exempted from mandatory participation in Medicare. The City makes its contribution directly to the Internal Revenue Service after each payroll.

\section*{Program: Employee Benefits 1462}

The Department contracts with insurance providers for benefits such as health, life, and disability, and provides a \(\$ 6\) monthly benefit subsidy to members.

\section*{Program: Separation Pay 2512}

Department members separating from service for reasons such as retirement are entitled to a percent of accumulated sick time and unused vacation days.

DRUG ABUSE RESISTANCE EDUCATION (D.A.R.E.)
JACKSON COUNTY DRUG TAX UNIT

\title{
DEPARTMENT OF POLICE \\ POLICE DRUG ENFORCEMENT FUND ACTIVITY DESCRIPTION
}

Residents of Jackson County, Missouri approved a \(1 / 4\) cent sales tax to fight illicit drug use and provide education and treatment. The Community Backed Anti-drug Tax (COMBAT) provides prevention and treatment funding to the Department as described below.

\section*{Program: Professional Development \& Research Bureau}

Activity: DARE Jackson County 2646 \& 2648
COMBAT provides funding for two positions, training, and supplies needed for the Drug Abuse Resistance Education (DARE) program. The officers interact primarily with fifth grade students in three metropolitan school districts within the City year round, providing positive role modeling and influences, as well as teaching prevention programs. Modified lessons are given to the K-4 students.

\section*{Program: Investigations Bureau}

\section*{Activity: Jackson County Drug Tax Unit 2652 \& 2654}

COMBAT funds the Jackson County Drug Tax Unit, which consists of additional undercover, supervisory, and civilian support personnel assigned to the Drug Enforcement Unit and the Street Crimes Unit. Members supplement duties of others assigned to the Narcotics \& Vice Division. The Drug Enforcement Unit investigates mid and upper level drug dealers, while the Street Crimes Unit investigates street level (retail) drug dealers and provides tactical enforcement for narcotics investigations. Both units present cases in the federal and state criminal justice systems. In addition, two civilian Chemists funded by COMBAT are assigned to the Department's Regional Criminalistics Lab to help handle the increased workload involving drug evidence generated by stepped up enforcement.

\title{
DEPARTMENT OF POLICE OTHER FUNDS REFLECTED IN CITY APPROPRIATIONS ACTIVITY DESCRIPTION
}

\section*{Activity: \(\quad\) Parking Garage Fund 216}

The City established this fund to reimburse the Department for enforcement of parking ordinances in the downtown corridor.

\section*{Activity: \(\quad\) Public Safety Sales Tax (PSST) Fund 232}

Voters approved an extension of the \(1 / 4\) cent sales tax to fund public safety capital improvements on November 2, 2010. Police's share of the total annual amount generated from the tax is reflected in this Fund, most of which is used to supplement appropriations in the amount of \(\$ 2\) million formerly provided by the General Fund.

\section*{Activity: Byrne JAG Grant Fund 241}

Accounts for grant funding passed through to the Department from the City.

\section*{Activity: 2012A G.O. Bond Fund 3398}

The City established this continuing fund for appropriations derived from General Obligation (G.O.) Bonds issued to more quickly build and equip facilities authorized by PSST renewal. By statute, the City constructs and owns the buildings occupied, but the Department purchases and owns equipment and furnishings. As a continuing fund, unused appropriations are available in subsequent years until fully expended.

\section*{Activity: \(\quad\) 2013B Special Obligation Bond Fund 3431}

The City established this continuing fund for appropriations derived from Special Obligation Bonds issued to equip facilities authorized by PSST renewal. As a continuing fund, unused appropriations are available in subsequent years until fully expended.

\section*{Activity: 2016A Tax Exempt Bond Fund 3433}

The City established this continuing fund for appropriations derived from Special Obligation Bonds issued to equip facilities authorized by PSST renewal. As a continuing fund, unused appropriations are available in subsequent years until fully expended.

Activity: Police Workers' Compensation (WC) Fund 1011
The Department retains the risk for workers' compensation claims. The activities in this Fund are supported by a transfer from the General Fund, making the Police WC Fund a subsidiary account to the General Fund. The Police WC Fund is not included as part of total budgeted appropriations since these have already been included in the General Fund. This Fund serves to record individual workers' compensation costs as an off-budget internal service. Costs, if any, in excess of this amount will be recorded in the Department's General Fund. General Fund transfers in excess of workers' compensation costs are held at the City for the future benefit of the Department.

REVENUES, EXPENDITURES, AND CHANGE IN FUND BALANCE SPECIAL SERVICES FUND 5110 FEDERAL SEIZURE AND FORFEITURE FUND 5150

DARE DONATIONS FUND 6140

GRANTS FUND 7100

\section*{DEPARTMENT OF POLICE SPECIAL REVENUE FUNDS ACTIVITY DESCRIPTION}

Special Revenue Funds account for revenues earmarked for specific purposes and/or are restricted by law or administrative action. The Department uses the following Special Revenue Funds to supplement General Fund appropriations.

\section*{Activity: Special Services Fund - 5110}

This Fund is used to account for revenues derived from a variety of sources such as the sale of police reports, criminal history record checks, fingerprint services, private security officer licenses, alarm fees, academy fees paid by other policing jurisdictions, miscellaneous restitution via the court system, crime lab fees, vehicle disposals, accident claims, traffic escorts for parades, and interest income.

Expenditures pay for costs associated with collecting revenue including licensing of private security officers and private alarm users; police report reproduction; traffic escorts; vehicle purchases; training, education, and related travel; and tuition reimbursements to employees.

\section*{Activity: \(\quad\) Federal Seizure and Forfeiture Fund - 5150}

This Fund is used to account for revenue pursuant to the equitable sharing of seized and forfeiture cash and property from joint drug enforcement investigations with the federal government. The expenditure of funds is restricted by federal guidelines published by the U.S. Department of Justice and Department of the Treasury. This Fund is the primary source for cash matches related to federal grants and maintenance of the data backbone systems of the Department's internal network.

\section*{Activity: DARE Donations Fund - 6140}

This Fund is used to account for donations from COMBAT and private and public entities and individuals. The donations are used to enhance drug abuse resistance education (DARE) programs given by the Department to schoolchildren and provide awards to the participants upon completion of the classes. This Fund supports the operations of the Department's DARE program reflected as organizations 2646 and 2648 in the Police Drug Enforcement Fund 234. The City provides appropriations in the General Fund to pay for additional officers assigned to DARE.

\section*{Activity: Grants Fund - 7100}

The Department's policy is to establish revenue accounts in this Fund to receive grant revenue. An offsetting contractual obligation equal to the grant revenue plus grant matches furnished by other Treasurer's Account funds is also established in order to reimburse the City in arrears for grant appropriations in the General Fund and Police Grants Fund.

Under Guide to Equitable Sharing for State and Local Law Enforcement Agencies Sec. VIII(A)(3)(c) dealing with uses, it states "Anticipated shared property should not be budgeted - Agencies should not 'spend it before you get it' or budget anticipated receipts...". The Treasurer's Account budget does outline a budget for desired programs. The desired program budget does not violate the intent of the guidelines since the Board of Police Commissioners will not allow any commitments until such time as sufficient federal forfeited funds are available for each
commitment.

\section*{Notes:}

1/ The Department's policy is to establish revenue accounts in the Grants Special Revenue Fund 7100 to receive grant revenue and Department required grant matches. A contractual obligation equal to the revenue and Department match is established in Fund 7100 to reimburse the City in arrears for expenditures recorded in Police funds 100 and 239.

LIABILITY SELF-RETENTION SUBSIDIARY ACCOUNT FUND 6110
}

REVENUES, EXPENDITURES, AND CHANGE IN FUND BALANCE

\title{
DEPARTMENT OF POLICE \\ LIABILITY SELF-RETENTION GENERAL FUND SUBSIDIARY ACCOUNT ACTIVITY DESCRIPTION
}

The Department uses a Liability Self-Retention Subsidiary Account to retain exposure to potential liability and torts related to vehicular accidents, slip and fall claims, and other liability claims. This program was instituted during fiscal year 1991-92 when bids for this coverage came in at over \(\$ 1\) million. In response, the City and Department agreed to establish a fund that would allow the Department to decrease its overall costs. Funding is provided mainly by transfers from the General Fund.

Section 105.726, RSMo, requires the State of Missouri to fund the first \(\$ 1.0\) million of the Department's annual liability costs, with the Department responsible for \(100 \%\) of anything over this amount.

General Fund transfers in excess of annual risk management expenses are retained by the Department to offset future costs should claims exceed amounts provided by the General Fund and/or covered by the State of Missouri. In the event all amounts are exhausted, the City acts as a backstop for risk management costs.

REVENUES, EXPENDITURES, AND CHANGE IN FUND BALANCES MAJOR CASE SQUAD FUND 6130

ETAC FUND 6150

\title{
DEPARTMENT OF POLICE EXPENDABLE TRUST FUNDS ACTIVITY DESCRIPTION
}

An Expendable Trust Fund represents assets that the Department is authorized to spend for purposes set forth in agreements controlling the receipt of such fund. The Department uses the following Expendable Trust Funds:

Activity: \(\quad\) Major Case Squad Fund - 6130
This Fund is used to account for amounts provided by various police organizations and individuals. Proceeds are used for an annual gathering of members of the Major Case Squad.

Activity: ETAC Fund - 6150
This Fund is used to account for amounts provided by various police organizations participating in a metropolitan-wide information sharing system known as ETAC (emerging threat analysis capability). Proceeds are used for computer programming, software licensing, computer hardware, training, and other operational needs.
