RESCINDS

Chief Richard Easley has authorized a Steering Committee to be formed under the direction of Captain Diane Mozzicato. The Steering Committee is charged with the responsibility of developing and implementing an Early Intervention/Employee Management System for the department. Unfortunately, there are times when events occur that have an adverse effect on our employees. The Chief and the Executive Management Team want to implement a program that allows employees and their superiors to be alerted of such events and be able to provide intervention prior to it having an undesirable consequence. The following Committee members are:

- Captain Richard Lockhart (Co-Chairperson)
- Sergeant Mark Stinson
- Sergeant Lawrence White
- Officer Roderick Gee
- Officer Wesley Harris
- Officer Catherine Johnson
- Officer Bernadette Rosborough
- Officer Scott Wells
- Supervisor Alex Hodges
- Supervisor Jennifer Miller
- CST Charles Closson
- Ms. Sandra Jennens

All department members are crucial in making this process work and are encouraged to contact any of the Committee members to ask questions, make suggestions, or offer ideas.

Richard D. Easley  
Chief of Police
