## I. GOVERNANCE STRUCTURE

The Board of Police Commissioners (the Board), a governmental unit pursuant to Chapter 84 of the revised statutes of the State of Missouri (RSMo), administers the Kansas City, Missouri Police Department (the Department or KCPD). Statutes provide the Board with exclusive management and control to operate the police force as an independent entity within the City of Kansas City, Missouri (the City). The City is required to provide annual appropriations to the Board for this purpose.

The Governor appoints and the Missouri Senate approves four Commissioners from the local community who, along with the Mayor of Kansas City, comprise the Board. The Board determines policy and provides oversight with input from the Chief of Police, who is responsible for managing the Department. The Chief of Police has organized the Department into bureaus and appointed commanders thereto who make day-to-day operational decisions. Each bureau's functions are more fully described elsewhere in this document.

## II. BUDGET OVERVIEW

The budget begins May 1, 2019. The total appropriated budget is $\$ 255,016,884$ Last year's budget was $\$ 248,108,865$. Accompanying this document are explanative letters from the Chief of Police dated October 1, 2018, and Deputy Chief of the Executive Services Bureau dated April 12, 2019, and details of all budgeted items. The main changes in FY 2019-20 funding are shown in Table 1.

## III. GENERAL FUND STAFFING

The amount of appropriations provided for General Fund operations includes the addition of 12 police officers mid-year.

## IV. CHARACTER OF FUNDING

## PERSONNEL

Personnel costs include all personal services plus benefits such as workers' compensation and life insurance in contractual services. Personnel costs in relation to all Department appropriations are $87.5 \%$ or $\$ 223,196,413$, an increase of $\$ 5,761,754$. The following highlight FY 2019-20 personnel matters and Table 1 above provides cost information.

- Pay step increases will be earned on the members' anniversary date. Sworn and nonsworn members at top step will receive a $2.5 \%$ salary adjustment at mid-year.
- Health insurance premiums decrease by $3.36 \%$.

## NON-PERSONNEL

Non-personnel items represent $\$ 31,820,471$ or $12.5 \%$ of funding for FY 2019-20, compared to $\$ 30,674,206$ for FY 2018-19. To simplify the presentation, non-personnel items have been grouped into the following categories:

Public Safety Sales Tax Fund - The $1 / 4$ cent sales tax for public safety capital improvements increased to $\$ 3,200,000$, which represents $1.3 \%$ of all Department appropriations. These appropriations will be used to purchase and equip police vehicles, repair building, plant and operating equipment, and make helicopter repairs. The anticipated Police Foundation match of $\$ 500,000$ has also been included in the appropriated budget. The City issued bonds in previous years to provide for equipping Department buildings scheduled to undergo construction. Fund 2016A Tax-Exempt Bond Fund 3433 continues automatically from year to year. Since this fund is continuous in nature, it is not included in the annual budget process.

Paid to City - The Department self-funds grants and other activities totaling \$9,133,490 or $3.6 \%$ of appropriations. This is reimbursed to the City, which treats the reimbursements as revenue, and in turn provides the Department appropriations in the same amount.

Other Activities - Another $\$ 19,486,981$ or $7.6 \%$ of total appropriations support the day-to-day operations of the Department. The Department will continue contracting with a social services coordinator and six social workers. The anticipated Police Foundation donation appropriation of $\$ 500,000$ has been included. Additional items included in other activities are risk management, utilities, telephones, data transmission, vehicle and helicopter operations, and rent of equipment, software, and covert locations.

The summaries along with the accompanying documents should assist the reader in understanding the Department's budget for FY 2019-20.

April 12, 2019

# TO: $\quad$ Members of the Board of Police Commissioners Kansas City, Missouri Police Department <br> FROM: Deputy Chief Roger A. Lewis, Commander, Executive Services Bureau <br> SUBJECT: Current Status of FY 2019-20 Budget 

The Board of Police Commissioners formally adopted the FY 2019-20 budget at the April 9,2019 meeting. The attached Schedules help summarize the current status of the FY 2019-20 budget and what has changed since it was presented to you last fall.

Schedules 1-3 accompanying this memorandum are similar to ones previously provided to the Board. A column titled "Appropriated 2019-20" has been added to reflect the amounts adopted. The following highlight changes in Schedules 1-3 between what was "Appropriated" by the City Council and what was "Requested" by the Department last fall.

## SCHEDULE 1

Schedule 1 attached hereto reflects all Police Department revenues and appropriations. Appropriations total $\mathbf{\$ 2 5 5 , 0 1 6 , 8 8 4}$ for FY 2019-20 compared to $\$ 248,108,865$ for FY 2018-19, an overall increase of $\$ 6,908,019$. The Requested budget anticipated appropriations would increase $\$ 8,362,576$, but the Appropriated budget is $\$ 1,454,557$ less than this. The following provides broad categories of what changes were made to Requested revenues and appropriations:

| REVENUES |  |
| :--- | ---: |
| City Funding: |  |
| City revenues |  |
| Police Self-Funded Activities: |  |
| Anticipated Police Foundation donation <br> $\quad$ Total revenue changes | $\$-1,954,557$ |

APPROPRIATIONS
City Funding:
Salaries $-1,375,060$
Pension -1,079,497
PSST funding to match Police Foundation donation $\quad 500,000$ Subtotal
Police Self-Funded Activities:
Anticipated Police Foundation donation $\quad 500,000$
Total appropriation changes $\quad-\mathbf{- 1 , 4 5 4 , 5 5 7}$
Revenue minus appropriation changes

## SCHEDULE 2

Schedule 2 attached hereto focuses on revenues and appropriations provided by the City. The City Council appropriated a total of $\$ 240,713,285$ to the Board compared to $\$ 233,708,845$ for FY 2018-19, an increase of $\$ 7,004,440$. However, the Requested budget anticipated an increase of $\$ 8,958,997$, which means the appropriated amount is $\$ 1,954,557$ less than what the Department requested. (Revenues always match appropriations in City funds, so changes in appropriations explain changes to revenues.) Salaries were reduced from the requested budget which will affect pay increases for those at top. The Department requested thirty additional officers in a decision packages which was outside of the budget request. This decision package was partially funded; salary has been increased to fund twelve additional officers mid-year. Pension is less than originally requested. The anticipated Police Foundation donation of $\$ 500,000$ has been included. An additional $\$ 300,000$ is being provided to purchase vehicles and $\$ 200,000$ to update facilities card reader system. Funding of $\$ 500,000$ used to equip vehicles was restored this year. The additional parking control officers and social workers that were added last year continue to be funded. Total changes to the Requested budget are broken down by broad category by fund as follows:

| APPROPRIATIONS | General <br> Fund 100 | Parking <br> Garage <br> Fund 216 | Public <br> Safety <br> Sales Tax <br> Fund 232 | Health Levy Fund 233 |  | Police Drug Enforcement Fund 234 | Police Grants Fund 239 | All City Funds Total |  |

## CONCLUDING REMARKS

The General Fund provides most of the appropriations to operate the Police Department, and these appropriations increase by $\$ 6.4$ million compared to the FY 2018-19 Adopted budget. Funding will provide for anniversary step increases and a $2.5 \%$ mid-year increase for those at top. Twelve additional officers were added.

The Board is required to adopt a budget on or before May 1 of each year. A formal budget adoption document was provided for the April 9, 2019 Board meeting. The FY 2019-20 Appropriated budget from all sources will be $\$ \mathbf{2 5 5 , 0 1 6 , 8 8 4}$ as shown on Schedule 1 attached hereto.

SUBJECT: Requested Budget for Fiscal Year 2019-20
As required by Section 84.500 of the Revised Statutes of Missouri (RSMo), accompanying this transmittal letter is a report on the financial requirements of the Kansas City, Missouri Police Department (the Department) for the fiscal year (FY) beginning May 1, 2019. RSMo Section 84.730 requires the Board of Police Commissioners (the Board) submit to the City of Kansas City, Missouri (the City) a budget estimating the sum of money necessary next fiscal year to enable the Board to discharge the duties imposed upon it by RSMo Chapter 84 and to meet the expenses of the Department. The accompanying financial requirements provide the Board the documentation necessary to submit its budget to the City.

## I. BUDGET OVERVIEW

As police chief, I will continue to work toward my goals to reduce crime, address neighborhood concerns while building effective and efficient partnerships, and set employees up for success. The Department will continue working towards attaining these goals by increasing the number of officers on the street, continuing to fund a social services coordinator and six social workers, and providing the necessary resources to employees.

Overall, the Department's budget has increased $3.4 \%$, similar to the $3.6 \%$ requested budget increase last fiscal year.

Pensions and health insurance continues to represent $26 \%$ of the budget.

## II. GENERAL FUND

The General Fund requested budget for FY 2019-20 is $\mathbf{\$ 2 2 8 , 2 4 5 , 5 7 5}$ as detailed in Schedule 8. This is an increase of $\$ 8,862,443$ from last year.

- Salary raises will be awarded at a rate of $3 \%$ for top step sworn Law Enforcement and Civilian, at the beginning of the fiscal year. Those not at top will receive one step on the member's anniversary date. The cost for these raises plus associated changes to overtime and salary savings is $\$ 5,359,593$. This amount includes $\$ 1,214,023$ representing the additional cost related to raises for FY 2018-19.

Kansas City Police Department
Requested Budget for Fiscal Year 2019-20
Page 2 of 5

- Health Insurance premiums are estimated to increase $5.0 \%$ or $\$ 1,116,861$.
- Pensions ARC (annual required contributions) increased $\$ 2,053,708$
- Non-Personnel related items increase by $2 \%$.

## III. DECISION PACKAGE

I am including five Decision Packages for this year's budget. Additional officers are needed in patrol divisions. In order to accomplish this, I am seeking funding to increase law enforcement staffing as well as civilianize some law enforcement positions. Additional parking control officers will provide additional parking ordinance enforcement. Upgrading of the radio system will provide encryption necessary to meet Federal guidelines and insure information transmitted is not compromised.

- Additional Officers- This decision package would provide funding to deploy 30 additional officers. There is an immediate need for additional officers. Funding is being requested based on these positions increasing the June 2019 academy class. An increase in the General Fund requested budget by $\$ 1,348,620$ would be needed in order to fund the additional 30 positions.
- Civilianize Law Enforcement Research Center (LERC) Analyst Positions Currently law enforcement officers work beside civilian analysts performing essentially the same duties. This request would civilianize 2 analyst positions within LERC allowing 2 law enforcement officers to be deployed elsewhere. An increase in the General Fund requested budget by $\$ 103,548$ would be needed in order to fund 2 additional civilian positions.
- Civilianize Narcotics and Vice Division (NVD) Analyst Positions - Currently Law Enforcement Officers work beside civilian analysts performing essentially the same duties. This request would civilianize 2 analyst positions within NVD allowing 2 law enforcement officers to be deployed elsewhere. An increase in the General Fund requested budget by $\$ 103,548$ would be needed in order to fund 2 additional civilian positions.
- Additional Parking Control Officers (PCOs) - Additional PCOs are necessary to enforce parking ordinances in the downtown corridor. Hiring 6 civilians, equipping them and providing vehicles would require an increase in the Parking Garage Fund of \$425,000.
- Encryption for the MARRS Radio System - In order to ensure all KCPD radios maintain regional interoperability and to meet the Federal guidelines to communicate in an encrypted mode with Federal Agencies working in Kansas City Missouri, several pieces of radio equipment need to be upgraded with AES Encryption. This is strongly recommended by the National Radio Group, and would require encryption of 36 radio
consoles and 800 in-car radios. An increase in the General Fund requested budget by $\$ 134,328$ would be needed in order to fund the encryption.

## IV. OTHER KEY ISSUES

The Department faces a number of key issues that also need additional funding:

- Vehicles - In FY07 a five (5) year, 100,000 mile fleet replacement plan (30,000 for motorcycles) was developed. Due to funding, the Department has been unable to adhere to the plan. Based on vehicle age, 184 vehicles plus 16 motorcycles need replaced in FY20 at an estimated cost of $\$ 5,363,400$. When the mileage of vehicles is factored in, replacement becomes an even larger issue. Our fleet currently has 197 vehicles in excess of 150,000 miles, all deemed in need of immediate replacement. These vehicles plus 28 motorcycles over 50,000 miles have an estimated replacement cost of $\$ 6,070,700$. Currently, 224 vehicles are between 100,000 and 150,000 miles and 13 motorcycles are between 30,000 and 50,000 miles and need to be replaced as per the replacement plan. Their replacement cost is estimated at $\$ 6,137,900$. It is estimated that the total cost to replace all vehicles based on mileage over 100,000 is $\$ 12,208,600$. These calculations do not factor in the 28 vehicles on average that are totaled annually in vehicular incidents that do not meet the age or mileage parameters listed above. Vehicles are increasingly becoming more prone to downtime and cost more to repair and maintain. In addition, these figures do not include the cost associated with equipping the vehicles.
- In-Car Camera and Mobile Data System- The current in-car camera systems were installed in 2006 and are now at end of life. The system is no longer sustainable due to parts support from the manufacturer ending. The Department recently issued a Request for Proposal (RFP) for in-car cameras. The proposals have been submitted to the Department and are under review. The current mobile data systems were purchased in 2008 are now at end of life. The combined cost to replace both systems is estimated at $\$ 5.5$ million.
- Body Worn Cameras - The Department recently issued a Request for Proposal (RFP) for body worn cameras. The proposals have been submitted to the Department and are under review. The infrastructure necessary to support body worn cameras, including server storage, is included in the in-car camera and mobile data system estimate listed above. The purchase of the cameras themselves is estimated at $\$ 650,000$.
- E-Ticketing - The Department continues testing replacement devices as well as the next application. Approximately $\$ 1,225,000$ will be needed to implement the 900 unit changeover department wide.
- Portable Radio System-The portable radios are at end of life. It is estimated that the system could cost $\$ 9,000,000$ and needs to be replaced by 2022 at the latest.

## V. OTHER FUNDING

The Department's budget includes numerous funds in addition to the General Fund. The other funds supplement the General Fund for programs that might not otherwise be accomplished. Other funding consists of amounts provided by other City resources and amounts self-funded by the Department in the Treasurer's Account.

## Other City Funds

Other City funds appropriations totaling \$14,422,267 are detailed in Schedule 9 and elsewhere. The purposes of the funds are:

- The Public Safety Sales Tax (PSST) Fund supports fleet, helicopter, and building operations which used to be funded in the General Fund. The Department is requesting an increase of $\$ 500,000$ from what was requested in FY19.
- As stated above, replacement of older, high mileage vehicles is an issue. Funding for vehicles has not been increased since the renewal of the public safety sales tax even though vehicle cost has increased about $30 \%$; therefore, the number of vehicles being purchased has declined. Currently, the Department is only able to replace 30 vehicles annually. An increase in funding provided in the PSST fund of $\$ 300,000$ would provide funding to purchase an additional 10 vehicles. This has been requested and denied in the previous two fiscal years.
- The Department's card reader system in all facilities is outdated. Parts are no longer being manufactured and technical support will no longer be available after December 2020. Additional funding necessary to update the system is \$200,000.
- The Police Drug Enforcement Fund supported by the Jackson County COMBAT sales tax supports DARE and drug enforcement efforts.
- The Police Grants Fund contains self-funded activity and grants awarded the Department, the proceeds of which are turned over to the City. Report reproduction and record check fees have been significantly reduced. Some grant funding has ended, smaller grants are anticipated, and fluctuating funding from renewing ones this budget cycle has resulted in a decrease to appropriations of $\$ 943,764$. A list of grants may be found in the Police Grants Fund section of the budget.

## Treasurer's Accounts Funds

Self-funded appropriations total $\$ 13,803,599$ as shown in detail on Schedule 3 and elsewhere. These activities involve situations where the Board directly contracts with grantors, collects fees for services, receives federally forfeited property, etc. and are included only on the Board's books. These non-City appropriations are also known as the "Treasurer's Account" or "T-Accounts." Most costs in the Treasurer's Account are payments to the City for grants and code enforcement efforts regarding alarms, parades/traffic escorts, and private officer licensing.

Kansas City Police Department
Requested Budget for Fiscal Year 2019-20
Page 5 of 5
The City records the payments as revenue on its books, and in return provides appropriations back to the Department.

## Total Funding

The General Fund plus all other funding totals $\mathbf{\$ 2 5 6 , 4 7 1 , 4 4 1}$ for FY 2019-20 as shown on Schedule 1. This compares to $\$ 248,108,865$ for FY 2018-19, an overall increase of $\$ 8,362,576$ or $3.4 \%$.

## VI. NUMBER OF PERSONNEL

Schedule 7 reflects the number of full time Department positions. Changes in grants awarded have caused a net decrease of two civilian positions and net increase of two law enforcement positions. There are 1,393 law enforcement and 601 civilian positions in the base budget compared to 1,391 and 603, respectively, in FY 2018-19.

## VII. FINAL THOUGHTS

The funding requested will hold the Department at the levels as stated above. Law enforcement turnover will be forecasted in order to plan entrant officer classes accordingly so that there is a minimal lag in law enforcement being at full strength. Through the decision packages the Department will continue the momentum of getting more officers out to patrol stations by increasing law enforcement staff and civilianizing law enforcement positions.

I recommend the Board approve this budget document for submission to the City Council to meet the needs of the Department in the ensuing fiscal year as required by RSMo Chapter 84. Total requested funding for FY 2019-20 is $\$ 256,471,441$ of which $\$ 228,245,575$ is for the General Fund, $\$ 14,422,267$ from other City funds, and $\$ 13,803,599$ from Treasurer's Accounts.

## Activity: Office of Community Complaints 1005

The Board established the Office of Community Complaints (O.C.C.) in 1969 to comply with the requirements of RSMo Section 84.430, which mandates that, "The board will hear all complaints and charges against any member of the police department." Thus, under the authority of the Board, O.C.C. is responsible for protecting citizens from the possibility of abuse or misconduct on the part of members of the Department and to protect the members of the Department from unjust and unfair accusations which may be lodged by individuals.

As an oversight agency for the Board, the Department, and the Kansas City community, O.C.C. receives and reviews complaints filed against officers or members of the Department and makes determinations as to whether those complaints should be formally investigated, mediated, or conciliated. In essence, O.C.C. is committed to effectively and impartially resolving all complaints involving a misunderstanding/dispute between an individual and member(s) of the Department. O.C.C.'s goal is to at all times provide professional and appropriate customer service to the Board, the Department, and the community.

## Program: Office of the Chief of Police 1010

The Chief of Police commands a Department comprised of about 2,000 employees. The City of Kansas City, Missouri ("the City") has a diverse population of about 488,943 and extends over an area consisting of about 318 square miles within four counties. The Chief of Police reports to the Board. The Office of the Chief of Police is responsible for the proper and timely execution of the policies, duties, and responsibilities established for the administration of the Department. The Office of the Chief of Police provides quality and effective support to the various elements of the Department, the Board, and the community.

Under the current organizational structure, the Office of the Chief of Police oversees five bureaus. The bureaus are the Executive Services Bureau, Administration Bureau, Professional Development and Research Bureau, Patrol Bureau, and Investigations Bureau. Each bureau is organized into divisions, which, in turn, are divided into units and sections/watches. The Office of the Chief of Police also oversees an Office of General Counsel, Professional Standards Division, and Homeland Security Division.

## Sub-Program: Office of General Counsel / Municipal Court Liaison 1010

The Office of General Counsel's attorneys and legal assistants act as in-house counsel for the Department. OGC reviews new and revised policies; develops and conducts training for Department members; responds to charges of discrimination filed with the Missouri Commission on Human Rights and Equal Employment Opportunity Commission; reviews and resolves workers' compensation lawsuits filed by members; responds to unemployment claims; responds to records requests made pursuant to Missouri's Sunshine Law; schedules Board of Police Commissioners' monthly and special meetings; prepares and disseminates materials for Board meetings, including preparation of detailed minutes of each meeting; and responds to inquiries from Department members of all ranks rendering hundreds of opinions per year on various issues dealing with law enforcement, personnel and other matters. OGC attorneys are
responsible for reviewing personnel actions upon request of command and the prosecution of disciplinary actions against Department members. OGC oversees and coordinates the handling of civil litigation filed against the Department, Board and Department members and is involved in decision-making regarding settlement of civil claims and lawsuits. OGC attorneys appear in court on a frequent basis, for example, to file lawsuits against persons responsible for damaging Department-owned property (such as motor vehicle accidents) and to quash subpoenas, respond to expungement actions, or in response to court orders. OGC attorneys write and review hundreds of contracts, memoranda of understanding, and grant documents each year. Attorneys in OGC respond to all officer-involved shootings and also respond to other critical incidents on an as-needed basis.

Court dates for officer testimony in Municipal Court and other matters involving the Municipal Court and its judges are coordinated by a detective assigned to OGC. This detective acts as Municipal Court Liaison. The detective also reviews audio and video before the records are disclosed to requestors, delivers Board materials, works with the Private Officer Licensing Unit on inspections, acts as security for the Mayor's Detail, and performs tasks for the OGC and Chief's Office on an as-needed basis.

## Activity: Private Officers Licensing Unit 1011

Private Officers Licensing Unit ensures compliance with statutes regarding the control and regulation of private security companies and persons, both armed and unarmed, in the City. The main responsibility is to conduct background investigations, monitor firearm qualifications, and administer an examination to ensure only qualified persons are licensed. Receipts of monies from fees charged in the licensing process support operations.

In its regulatory function, the unit protects the citizen from abuse of authority and the Board from possible liability arising out of the licensing of private security. The unit issues private security licenses and maintains records on approximately 11,000 individuals and two hundred twenty seven (202) private security agencies.

## Activity: Risk Management 1015

The Office of General Counsel administers the Department's self-retention program for liability and vehicle damage claims. Commercial insurance is purchased for non-realty property (building contents, helicopters, etc.) coverage. The City insures buildings, which it provides to the Department. OGC attorneys and legal assistants are frequently asked to report on various risk-management issues, such as contributing ideas to reduce the cost of litigation, workers' compensation claims, and recovering money owed to the Department for damage to Department-owned property.

## Sub-Program: Professional Standards Division 1024

The Professional Standards Division is charged with coordinating matters regarding professional standards and employee relations with the FOP Liaison. Reporting elements are: Media Unit, Internal Affairs Unit, and Quality Control.

## Activity: Media Unit 1024

The Media Unit was established to provide information on Department activities to the news media for dissemination to the public and to promote cooperation and enhance communication between the Department and the members of the news media.

The Media Unit has as its primary duty the responsibility of providing liaisons with the members of the news media, frequently on behalf of other Department elements. The Media

Unit has the responsibility for the production and distribution of the statutorily required annual report. The unit develops and publishes an in-house monthly newsletter, a daily e-mail newsletter, and coordinates award, promotional, and retirement ceremonies, as well as other special events. The Media Unit also provides public relations services and advice to Department elements.

## Activity: Internal Affairs Unit 1025

The Internal Affairs Unit (IAU) is charged with conducting investigations of internal matters that involve the actions of Department members. These investigations include, but are not limited to, complaints filed with O.C.C., the disarming and/or the discharge of a firearm by an officer, inquiries into commendable acts by Department members, and any other miscellaneous investigation as directed by the Chief of Police. In addition, IAU is the central repository for case files associated with internal investigations as well as response to resistance reports.

## Sub-Program: Homeland Security Division 1016

Homeland Security Division is charged with ensuring that Kansas City is safe, secure, and guarding against terrorism and other hazards. Reporting elements are: Intelligence Unit and Kansas City Regional Fusion Center.

## Activity: Intelligence Unit 1016

The Intelligence Unit monitors traditional and non-traditional organized crime, terrorist/extremist groups, threats to public officials, and persons or groups responsible for public disorder. The unit also assists other agencies and Department elements by providing intelligence data, surveillance support, and technical assistance as well as conducting specialized investigations as directed by the Chief of Police.

The unit is a member and operates under the guidelines of the National Law Enforcement Intelligence Unit (L.E.I.U.). This enables sharing of intelligence data and regulates the lawful collection, storage, analysis, and dissemination of criminal intelligence, under 28 CFR 23.

## Activity: Kansas City Regional Fusion Center 1016

KCRFC is tasked with coordinating efforts in the prevention, deterrence, and response to possible threats of terrorism. The section is the liaison with local, federal, and state intelligence entities, as well as private entities in the region regarding crime to include terrorism. This section is responsible for gathering intelligence information used to recognize and forecast trends in risk management and crime issues to assist command staff in the deployment of personnel and resources to improve the overall efficiency of the Department.

## Activity: Critical Incident Site Management Section 1016

The Critical Incident Site Management Section is located at the City's Emergency Operations Center (EOC) and is responsible for administering the Department's critical incident site management system. This system is a computerized catalog of action plans designed to provide first responders with immediate access via their car computers. Through school, community, and business involvement, plans are prepared in advance so that first responders have access to vital information such as evacuation points, perimeter assignments, and locations for establishing a command post, as well as detailed floor plans of the structure. The section also maintains a portable database to provide on-site GIS aerial mapping.

## DEPARTMENT OF POLICE EXECUTIVE SERVICES ACTIVITY DESCRIPTION

## Program: Executive Services Bureau 1030

The Executive Services Bureau is comprised of three elements: Fiscal Division, Logistical Support Division, and Building Operations Unit. The Bureau is responsible for the day-to-day financial operations of the Department, including payroll, payment of pensions, and FICA taxes, as well as building operations, including the cleaning, maintenance, and security of Department facilities. The Bureau is also responsible for communications, radio installation and radio repairs, and fleet operations. Reporting element is: City Hall Liaison.

## Sub-Program: Fiscal Division 1040

The Fiscal Division Office is charged with coordinating matters regarding budget, accounting, payroll, asset forfeiture and seizure, purchasing, supply, and private alarms. The Department uses a centralized approach for the Budget, Accounting, and Purchasing Sections to ensure compliance with statutes, Board directives, and internal controls in these areas.

## Activity: Construction Division 1040

RSMo Section 84.450 requires the City to provide the Department with an office and office furniture as it may need. The Department does not own any of the buildings it occupies. Construction Division personnel are responsible for coordinating and developing capital improvement projects, which include renovations to existing buildings and new construction. These duties include assisting in planning, bidding, quality control, acting as a liaison between various City departments and private sector, and the monitoring of funds and expenditures for assigned projects. Personnel oversee projects and coordinate project management to ensure the Department's interests are met.

## Activity: Budget Unit 1045

The manager of the Budget Unit oversees the operations of the Budget Preparation \& Control Section and Alarm Licensing Section.

## Budget Preparation \& Control Section 1045

The Budget Preparation \& Control Section is responsible for the preparation of the Department's annual budget request and continual review of expenditures and budget balances as each relates to appropriated funds. This section also verifies the Department's payroll before each payday and keeps track of every position on the Department.

## Alarm Licensing Section 1012

The intent of City Ordinance 970277, which went into effect on July 1, 1997, was to reduce the number of false alarm calls by promoting responsible actions on the part of the alarm companies and alarm users. At the direction of the Board, the Alarm Licensing Section was formed for the purpose of administering the provisions of the ordinance.

Alarm Licensing Section personnel issue permits to alarm users and ensure that alarm companies and users are in compliance with the City's permit ordinances. The section manages alarm records of over 54,000 permit holders and daily updates alarm permit records with alarm dispatch requests, which are under 16,000 annually. The section also conducts

False Alarm User Awareness Classes and System Performance Reviews for alarm users who experience excessive false alarms.

## Activity: Financial Services Unit 1049

The captain of the Financial Services Unit oversees the operations of the Accounting \& Payroll Section, Asset Forfeiture, Purchasing Section, and Supply Section.

Accounting \& Payroll Section 1049
The responsibilities of the Accounting \& Payroll Section fall into four main categories: accounting, payroll, grants, and asset forfeitures. The section processes all financial transactions for the Department. It ensures Department and statutory policies are complied with regarding acquisition and payment for goods and services. The section processes the Department payroll biweekly. The section also ensures payment of withholding taxes to various governmental entities. Grants are monitored and billed by the section to ensure accuracy and compliance with grant financial guidelines. Asset forfeitures are processed within the section.

The section also performs numerous ancillary functions, including preparing Department financial statements, arranging for Department travel, monitoring travel, training, and discretionary expenditures, and working on numerous special requests for information. The section maintains the Department financial computer system and accounting internal control systems.

## Purchasing Section 1050

The Purchasing Section is responsible for the procurement of equipment, materials, supplies, insurance, and contractual services used by the Department. These acquisitions may be completed through the formal bid process or by direct purchase using sound procurement practices to maximize, to the fullest extent, the purchasing value of public funds. The Purchasing Section is also responsible for the testing and evaluation of selected equipment and the coordination for delivery of specified products.

## Supply Section 1050

The Supply Section/Warehouse maintains a store of goods, which supports the operation of the Department. The Supply Section is responsible for providing equipment, uniform needs, and office supplies for all Department elements. The warehouse provides printed materials and paper needs for the Department. The Supply Section also repairs and maintains firearms used by Department members. Meeting these needs requires sound controls over inventory, shipping, receiving, and restocking.

The needs of the Department are constantly changing and evolving as new technology is developed to improve both the safety of the police officer and the public. The Supply Section evaluates new products and reviews safety issues to better support the needs of the Department.

## Sub-Program: Building Operations Unit 1072

The Building Operations Unit is responsible for over 1 million square feet of working and operational space. This includes the parking lots and grounds of 31 different facilities. The primary goal of the unit is to provide customer service to employees of the Department and the citizens of the community. The unit provides maintenance and janitorial services that promote a safe environment allowing for maximum efficiency.

The Building Security Section is responsible for the overall security of the Headquarters and Communications Buildings. The section is the central repository for all CJIS federal requirements. All non-department employees, vendors and service providers are CJIS screened, documented and allowed access rights through the Building Security Section.

## Sub-Program: Logistical Support Division 1220

The Logistical Support Division coordinates matters regarding fleet, radios, and 9-1-1 calls.

## Activity: Fleet Operations Unit 1222

The Fleet Operations Unit operates on a twenty four hour basis and is responsible for the acquisition, maintenance, repair, and disposal of vehicles, along with ordering and stocking the necessary parts and materials to support the fleet. On average, 10,000 repairs are completed annually. Primary goals include maintaining the Department's fleet in a high state of readiness and repair by maximizing available resources to their fullest. In addition, some specialty work is done on covert vehicles leased by the Department and other equipment such as generators as well as special projects where metal fabrication may be necessary. The Fleet Operations Unit is also responsible for monitoring of underground fuel tanks and insuring compliance with EPA regulations.

The Fleet Operations Unit operates its own body shop, which is responsible for a variety of body and fender repairs and painting of vehicles. The Fleet Operations Unit also operates the Service Station at 1245 Prospect. At this location the FOU provides tow services, preventive maintenance, and twenty-four hour fuel service.

## Activity: Communications Support Unit 1224

Communications Support Unit provides the infrastructure management; technical operation, installation, and maintenance of the Missouri Zone of the Metropolitan Area Regional Radio System (MARRS). This system provides Public Safety and Public Service communications for all Kansas City radio users. This includes Police, Fire, MAST, Aviation, Public Works, Parks and Recreation, Solid Waste, Water, and other City departments. Communications Support also manages the MARRS system database for Platte County, Clay County, Independence/Blue Springs, Jackson County, and Cass County. MARRS provides interoperable communications with Johnson County, KS and a small number of state and federal users. The MARRS system currently encompasses 22,000 users.

Communications Support provides installation and repair of all mobile radio and repeater equipment used by the City. The unit provides technical support and training to users as required, installs, services, and repairs camera systems, sirens and emergency lighting, radar systems, mobile data terminals, vehicular data networks, alarms, and GPS systems.

## Activity: Communications Unit 1250

The Communications Unit is the primary public safety answering point (PSAP) for 9-1-1 calls placed within the geographical boundaries of the City of Kansas City, MO and the Village of Claycomo, MO. All 9-1-1 calls within those boundaries, from landlines and cellular devices, are received by the Communication Unit. They include calls intended for the Kansas City Fire Department and the Claycomo Fire Department which is transferred to their communications facilities as needed. Communications Unit members also process calls placed to the non-
emergency lines as well as administrative calls received via the department switchboard. The Communications Unit dispatches calls for the City of Kansas City Animal Health department and receives calls for the unit directly when the city Action Center is closed. The Communications Unit also dispatches for the Burlington Northern Railroad officers.

Members assigned to the Communications Unit use a computer aided dispatch (CAD) system that is funded by the City. Those members assigned as dispatchers receive calls for service from those assigned as call-takers via the CAD system and dispatch appropriately. The CAD system is used to manage the calls for service, self-initiated, and administrative activity from officers in the field.

Department policy and applicable state and federal laws. The section prepares reports for social service agencies, criminal justice agencies, and courts, answers subpoenas delivered to section staff, and serves as the coordinating element for decentralized portions of these functions.

These programs provide students with information and skills that permit them to make positive decisions and avoid negative influences, allowing them to focus on their strengths and potential. The section works to inspire good decision making and to prevent students from becoming involved in violent behavior, drug and alcohol use, and gang participation. Additionally, the section establishes positive relationships between students and law enforcement, teachers, parents, and other community leaders.

The prevention programs are taught in various public and non-public schools within the school districts of Kansas City, North Kansas City, Park Hill, Center, Hickman Mills, and Platte County. Approximately 5,000 students receive prevention programs and services each year.

## DEPARTMENT OF POLICE PATROL ACTIVITY DESCRIPTION

## Program: Patrol Bureau 2510

The Patrol Bureau is comprised of eight divisions: six geographically based patrol divisions, the Traffic Division, and the Special Operations Division. Bureau resources are directed toward uniformed patrol functions, the most critical of which is the response to 9-1-1 emergency calls for service. The Bureau also provides for tactical response to critical incidents, traffic enforcement and control, and directed patrol activities.

By combining traditional policing methods with community oriented policing strategies, the members of the Patrol Bureau are committed to forming partnerships with the community to solve problems and enhance the quality of life in Kansas City neighborhoods.

## Activity: Detention Services Unit 2589

The Detention Services Unit is responsible for the coordination of detention operations between the Police Department, the Jackson County Detention Center and the Municipal Court. Detention Services provides a 24 hour presence within the Jackson County Detention Center through the Population Control Coordinator. Individual patrol divisions provide temporary detention of individuals arrested for violations of City ordinances, state, and federal statute violations.

## Sub-Program: Central Patrol Division <br> Activities: Division Office, Central Patrol 2520

Central Patrol Division encompasses about 15.4 square miles and has a permanent population of nearly 62,000 residents. This population increases to approximately 100,000 to 120,000 each weekday due to numerous businesses and places of interest located within Central Patrol. The division is bounded by the Missouri river on the north, 47th Street/Ward Parkway on the south, State Line on the west, and Wabash on the east.

There are thirty-seven neighborhood groups, twenty business associations, and four community improvement districts in Central Patrol. There is an abundance of retail and entertainment venues in Central Patrol such as the Country Club Plaza, Crossroads Art District, Crown Center, Downtown Loop, Kauffman Center for the Performing Arts, Power and Light District, River Market, Sprint Center/College Basketball Experience, West Bottoms, Westport, and the Westside. Points of interest include Bartle Hall, Hy-Vee Arena/American Royal Complex, Liberty Memorial, Municipal Auditorium, Nelson Art Museum, and Union Station. Central Patrol is also home to a number of large corporations including American Century, H\&R Block, UMB, Commerce Bank, KCPL, DST, and Hallmark as well as many federal, state, and local government offices.

Central Patrol Division and its citizens have established a solid community policing partnership that not only facilitates the current needs of the community, but also looks to the future. Officers and sergeants attend several community meetings each month to deliver crime updates and receive information about crime in the community. Central Patrol Division has two fulltime Community Interaction Officers (CIO's) that work primarily days and evening hours. CIO's offer Block Watch Training to neighborhoods in order to empower them to become directly involved in their communities and to reduce crime. Safety presentations are also offered to these neighborhood groups and businesses in order to give them an overview of different types of crime that can exist and the steps they can do in order to protect themselves. Security
surveys of properties, businesses and homes are available upon request in order to help discourage crime.

There are numerous ongoing projects in the division that exemplify officers working in concert with the residential and business community, as well as in collaboration with local, state, and federal agencies. For instance, there are problem-solving initiatives involving many apartment buildings along Armour Boulevard, the Paseo corridor, as well as downtown. One in particular, the Downtown Community Task Force, is a group that teams with social service agencies, faith-based organizations, the Mayor's office, mental health providers, and area businesses to deal with the division's homeless population. Others include the Gateway Crimes Task Force that was sponsored by a City Councilperson with a focus to stabilize and improve the City's neighborhoods by addressing activities that are considered gateways to greater criminal involvement. The Task Force is comprised of representatives from law enforcement agencies, including the Central Patrol Division, the court system, school districts, neighborhood leaders, social service agencies, City Council members, and City staff.

Central Patrol has a fulltime dedicated crime analyst who creates a Daily Crime Report that is available to the public. Central Patrol distributes a Daily Crime Report to the community. The Daily Crime Report is distributed to effectively communicate and partner with the community to address and prevent crime. This informative report contains a list of crimes committed during the last 24 hours. The report also contains crime maps, crime prevention techniques, and informative public safety topics. The Daily Crime Report is reviewed by approximately 15,000 residents a day and distributed to all neighborhood and business associations who wish to participate.

Central Patrol has partnered with the Central Industrial District and the Westbottoms Business Association (CIDA/Westbottoms Initiative) since 2008 to address and reduce crime and disorder. Since starting this initiative, all categories of crime have experienced a reduction. Utilizing the City's Municipal Court's Metropolitan Community Service Program (MCSP), the division has removed hundreds of thousands of pounds of trash and illegally dumped materials, along with thousands of tires.

Central Patrol has partnered with the Central Industrial District and the Westbottoms Business Association (CIDA/Westbottoms Initiative) since 2008 to address and reduce crime and disorder. Since starting this initiative, all crime categories have seen a minimum reduction of $50 \%$. Utilizing the City Municipal Court's Metropolitan Community Service Program (MCSP), the division has removed over 126,600 pounds of trash and illegally dumped materials, 2,198 tires, and covered/removed over 200 pieces of graffiti.

Officers are assigned within Central Patrol as community policing action team (CAT) officers. These officers, working in pairs, are assigned to work within designated sectors within the division.

There are two Community Action Network (CAN) Centers within division boundaries. Police officers and a Project Neighborhood "Mobilizer" staff the CAN center. The Mobilizer is a non-police citizen who is educated to provide community related referrals and also functions as a resource provider. The CAN officers are involved in traditional police work and also serve as first line partners that link the community and Central Patrol.

Officers on the day shift are assigned to apartment complexes run by the Housing Authority of Kansas City. These officers work within the boundaries of federally-funded properties in the division. In line with the division's focus on community policing, these officers work with the community to improve the quality of life for those living in the properties, while working closely with the Housing Authority's Department of Public Safety.

Officers are assigned to the Crime Free Multi-Housing Unit. These officers act as a liaison between the Department and the management and owners of residential rental properties. The officers respond to problems with rental properties brought to light by other patrol officers, citizens, and neighborhood groups. The officers also offer a three-phase program to both owners and management. The first phase of the program provides education to owners, managers, and employees of rental properties. The second phase consists of surveying the properties using the "crime prevention through environmental design" standards. The final phase is a safety social hosted by the rental property owners for their residents.

Downtown Foot Beat officers handle calls for service within the downtown loop during the day and evening hours. Officers work closely with the downtown business community, convention center, and organizations such as the Downtown Council and Central Improvement District.

Central Patrol Division has a station social worker who positively impacts community relationships with law enforcement; creates a foundation of trust and transparency, while fostering collaborations to uplift the City's most fractured communities. The social worker focuses exclusively on providing community outreach, support, and service referrals. The social worker is a resource CPD officers use on a routine basis and has been well received by the community.

## Sub-Program: Metro Patrol Division <br> Activities: Division Office, Metro Patrol 2530

Metro Patrol Division encompasses about 35 square miles and is home to approximately 90,000 residents. The boundaries of Metro Patrol Division are $47^{\text {th }}$ Street/Emanuel Cleaver Blvd/Blue Parkway on the north, State Line Road on the west, Blue Ridge Boulevard on the east, and $87^{\text {th }} / 95$ th Street on the south. Areas of interest located within the division are the Kansas City Zoo, Swope Park, University of Missouri at Kansas City, Rockhurst University, Ward Parkway and Landing Shopping centers, MRI Global, Stowers Institute, Kauffman Foundation, and the Brush Creek Revitalization Project.

The emphasis on community oriented problem solving is reinforced daily through contact with business and home associations, and more than 500 neighborhood and block watch groups. Officers work with these organizations on such topics as home security, personal safety, shoplifting, drug and gang problems, school presentations, and developing relationships that promote a sense of cohesiveness in the community. Community policing within Metro Patrol Division is the responsibility of every division member.

Metro Patrol officers are also heavily involved in community policing and work with citizens, neighborhood leaders, and various agencies to solve crime and quality of life issues within the Metro Patrol Division. Through a variety of approaches, members and the community are exposed to community oriented problem solving techniques with the ultimate goal being to provide police service in consultation and collaboration with the community whenever possible. Partnerships with neighborhoods, governmental agencies, schools, and businesses continue to grow and evolve with community incentives such as the Community Police Action Cooperative (CPAC) that have played a large part in improving the quality of life of many people who live and work in south central Kansas City.

## Sub-Program: East Patrol Division

Activities: Division Office, East Patrol 2540
East Patrol Division encompasses about 45 square miles and is home to approximately 94,000 culturally diverse residents. The boundaries of East Patrol are Wabash Avenue on the west to the east city limits, and the Missouri River on the north to 47th Street on the south, plus the area of U.S. 40 Highway on the north, 75th Street (Little Blue Road) on the south, Woodson

Avenue on the west, and Lee's Summit Road on the east. East Patrol Division is predominantly comprised of residential areas but it is also home to one of the Metropolitan areas largest business and executive Parks. The Truman Sports Complex, consisting of Kauffman Stadium and Arrowhead Stadium, is also located within Division boundaries, increasing the Division's population by an additional 80,000 on game days.

East Patrol is dedicated to intelligence-led policing and focused deterrence model of crime prevention and enforcement. Weekly crime information sharing and response collaboration meetings are held to focus officers' response to identified criminals and criminal activity.

East Patrol Division appreciates its close working relationship with over 30 active community groups. This is a result of the Division's approach to crime reduction, partnerships formed between the police and community, as well as the involvement of the Community Interaction Officer (CIO) and specialized units within East Patrol. The CIO is a vital asset in bringing police and community together by attending neighborhood association meetings and events, conducting business and residential security surveys, putting on intruder response classes in the schools and churches, and teaching women's safety classes. Division officers have reached out to the community to locate problem areas and work on solutions together by signing community partnership agreements. Additionally, the East Patrol Division has an assigned social worker through the Kaufman Foundation, working with the Officers and Sergeants to provide social services in areas law enforcement cannot. Officers are working in designated criminal hot spot areas making positive citizen contacts along with making felony arrests of career criminals. This has helped the division and the Department move toward the goal of improving the relationship between the public and police.

East Patrol has a Community Action Network (CAN) where two Community Action Network (CAN) officers are assigned and focus on community policing efforts by working closely with various community organizations.

East Patrol has an assigned Impact Squad of one sergeant and six officers whose main focus is the reduction of violent crimes through problem solving measures as an additional resource for the community and officers on a consistent, proactive basis.

East Patrol has four School Resource Officers (SRO) in two of the public high schools located within the boundaries of the Division (Central and Northeast High Schools). The SRO's responsibility is to improve the image of the law enforcement officers in the eyes of the students and community. East Patrol has two officers assigned to Crime Free Multi-Housing. These officers work with property owners and managers to develop better property conditions and screening practices in an attempt to help reduce the concentration of crime in these areas and improve the quality of life for the residents.

## Sub-Program: South Patrol Division

Activities: Division Office, South Patrol 2550
South Patrol Division is home to approximately 65,000 residents of various ethnic, cultural, and diverse economic backgrounds. It encompasses approximately 63 square miles of urban, suburban, and rural properties. It is the third largest patrol division in geographical size and population. It is bordered by 87th Street and Bannister Road on the north, the Cass County line on the south, State Line Road to the west, and Lee's Summit on the east. The South Patrol Division is located at the Police Campus at 9701 Marion Park Drive. The location provides quick and convenient access to Bannister Road, l-435, and 71 Highway. Sworn law enforcement officers and civilian employees provide services to an area that not only covers large residential areas, but also 32 city parks, 2 large county parks, and many commercial areas. Several major employers are located in South Patrol Division including: St. Joseph Hospital, Truman Medical Center Lakewood Hospital, the Honeywell Federal Manufacturing and Technology Plant, and
the Ford/Mazda Inter-modal Rail Hub at Richards Gebaur. The new campus for the Cerner Corporation is now completed. It is on 290 acres near Bannister Road and I-435 Highway. The Cerner Corporation now operates out of two facilities within the South Patrol Division boundaries. Six school districts as well as the Crittenton and Ozanam juvenile residential treatment facilities are located within the division.

In addition to responding to calls for service, community policing is an integral function of this division. Division personnel work closely with community leaders, neighborhood associations, and businesses to identify and solve problems. Interaction with over 100 neighborhood associations and literally hundreds of block watch programs has been the key to reducing crime and improving the quality of life for residents.

South Patrol Division community policing efforts address a host of quality of life issues while reducing crime. The entire division (maintenance, clerks, division secretary, detention officer, police officer, sergeants, and commanders), are responsible for community events held on the South Patrol Division campus. Previous successful events include the SPD HealthWellness \& Public Safety Fair, SPD Ex-Offender Hiring Fair, and the SPD Summer Movie Series, to name a few.

The IMPACT policing squad is a valuable tool for the division. The squad focuses on target oriented policing and problem solving by working proactively to identify and solve problems using community input and crime analysis to select targets for action. The squad uses surveillance, ATV's, bicycle patrol, and targeted self-initiated activity to pursue goals. Officers also work closely with other agencies and communities to solve common problems.

South Patrol Division strives to provide excellent customer service, proactively identify crime patterns, and develop fast, efficient plans to address crime. Our partnership with the community provides a platform to reduce crime and disorder while improving the quality of life of our residents.

## Sub-Program: North Patrol Division <br> Activities: Division Office, North Patrol 2560

North Patrol Division is responsible for providing public safety services to citizens living, working, and visiting north of the river. Geographically, North Patrol Division covers about 85 square miles, which is $27 \%$ of the landmass within Kansas City's corporate limits. Division boundaries are roughly M92 highway to the north, North Oak to the east, Missouri River to the south, and the City limits to the west.

North Patrol Division includes both of the City's airports. KCI is located at I-29 and 291 Highway, and handles in excess of $7,000,000$ passengers each year. The other is Charles Wheeler Downtown Airport. The division is home to seven large shopping, entertainment, and dining destinations: Tiffany Springs Market Center, The Shops at Boardwalk, Barrywoods/AMC, The Village at Burlington Creek, Briarcliff Village, Zona Rosa, and Creekwood Commons.

North Patrol Division is currently one of the fastest growing areas in the City. Population is currently estimated at 80,000. Business, residential, and entertainment developments are growing rapidly along the $\mathrm{I}-29$ corridor from 64th Street north to KCI . This growth should continue with the anticipated progress of The Twin Creeks Development area. Innovative community oriented policing tactics have been successful in maintaining a high quality of police service. Division personnel have initiated a close working relationship with many community organizations.

Northland Neighborhoods Inc., The Northland Regional Chamber of Commerce, The Clay County Economic Council, The Platte County Economic Council and the Northland Community Alliance have been highly successful in developing partnerships and linking
neighborhoods, businesses, City, and police services together. Approximately 168 neighborhood groups work with North Patrol Division officers to deter crime and assist in maintaining a high quality of life. Neighborhood groups include organized block watches, neighborhood associations, and home associations. These organized groups are continuing to form both in the more established neighborhoods and newly developing areas.

## Sub-Program: Shoal Creek Patrol Division <br> Activities: Division Office, Shoal Creek Patrol 2570

The Shoal Creek Division encompasses about 75 square miles with an estimated population of over 90,000. The borders of the division are M-92 Highway to the north, North Oak Trafficway to the west, Interstate 35 to the east, and the Missouri River to the south, representing approximately $23 \%$ of the City's land area. There are ten municipalities or jurisdictions that surround Shoal Creek. This creates a very unique opportunity for the men and women of the division to interact and work with adjoining agencies.

The division continues to change rapidly as the rural area gives way to expanding residential communities and business and industry growth. Numerous City and county parks, including the Hodge Park Complex, Pleasant Valley Complex, and the Western Missouri Soccer Complex are located within the division. Shoal Creek Patrol Division also has several key points of interest for tourism such as Worlds of Fun, Oceans of Fun, and Ameristar Casino that attract more than 1.5 million visitors annually. The Hunt Midwest subtropolis, the world's largest underground storage facility, is also located in the Shoal Creek Patrol Division. The I-35 and Highway 152 corridors contain one of the largest retail and dining areas in the northland.

The growth of the northland area has caused corresponding traffic congestion and crime related problems. An example of this is at I-35 and Highway 152 which includes retail development, restaurants, and residential expansion into the surrounding area. These challenges have required both traditional and innovative community oriented policing tactics by officers assigned to the Shoal Creek Patrol Division. The Impact Squad works proactively with different elements to locate and suppress criminal activity within the division.

Special programs, such as the Metropolitan Community Service Program (MCSP) have enabled Shoal Creek officers to partner with the community in cleaning neighborhoods in the northland. Crime Free Multi-Housing officers has provided an important problem-solving tool in working with multi-family dwellings and low income housing, where problems have existed for many years. Although not dedicated full time, Shoal Creek Patrol Division has two ATV's assigned to the Impact Squad which can be staffed by trained officers as dictated by any specific need that arises. Through a close cooperative relationship with Kansas City Parks and Recreation, the division has the ability to respond with ATV's to concerns or criminal activity at parks or rural areas within division boundaries.

Division personnel have initiated close working relationships with many community organizations. These groups include, but are not limited to: Clay County Economic Development Council, Northland Neighborhoods, Inc., Northland Community Alliance, Northland Chamber of Commerce, the Metropolitan Community Colleges, and both the North Kansas City and Liberty School Districts. Shoal Creek Patrol Division has four high schools within its boundaries: Oak Park, Winnetonka, St. Pius, and Staley.

Division members have established partnerships with approximately 95 neighborhood groups to deter crime and assist in maintaining a high quality of life. These groups include organized block watches, and neighborhood and homes associations. With the assistance of division staff, organized groups are continuing to form both in established neighborhoods and developing areas.

## Sub-Program: Traffic Division 2580

The Traffic Division provides support to other Department elements in a variety of highly specialized areas. The Traffic Division is comprised of the Traffic Enforcement Unit and Traffic Investigation Unit. These units work closely with the other elements of the Patrol Bureau by addressing crime and traffic problems. In addition, the Traffic Division plays a major role in coordinating special events, dignitary visits, and assists other division commanders with critical incident management.

## Activity: Traffic Enforcement Unit 2580

Traffic Enforcement Section 2580
The Traffic Enforcement Section's primary goal is to increase driver safety through targeted traffic enforcement and by providing point control around areas of traffic congestion. prints are entered into the Missouri State Highway Patrol's Automated Fingerprint/Palm Print Identification Systems (AFIS/APIS), the Kansas Bureau of Identification (AFIS), and the FBl's Integrated AFIS (IAFIS) in attempts to identify these prints. The Latent Print Section is also responsible for the analysis and the processing of evidence for footwear and tire tracks, and any comparisons that can be done.

## Firearms and Section 2683

The Firearms Section is responsible for the test firing and examination of firearms and ammunition components. Ammunition components are those items such as, bullets, cartridge cases, shot shells, wadding, and shot. If a firearm has an obliterated serial number, examiners perform a serial number restoration in an attempt to restore the serial number, if possible. The section utilizes a database that captures the individual characteristics or markings on evidence and test fired cartridge cases called the National Integrated Ballistic Information Network/Integrated Ballistic Identification System (NIBIN/IBIS). NIBIN/IBIS allows examiners to possibly link cases that otherwise would not have been linked.

Digital Evidence Section 2683
The Digital Evidence Section is responsible for forensic image analysis of evidentiary imagery and specialized photography. In addition to frame-by-frame analysis of evidentiary videos, the section assists detectives with the recovery, transcoding and viewing surveillance video. The section has the ability to determine the frame rate at which a video was recorded, analyze the file structure, identify and explain potential artifacts, and calibrate the aspect ratio of a video, if necessary. Personnel have also been trained in image analysis and comparison of clothes, vehicles, and other items that may have individualizing characteristics. The section also carries out video editing, time-line creation, highlighting, arrowing, multi-camera synchronization and image clarification. This section manages most of the digital images taken by Department equipment and distributes them for the legal system. The section digitally processes evidentiary images to allow for comparison by other forensic examiners.

The section is responsible for locating, characterizing, and comparing materials such as hairs, fibers, paint, glass, tape, and condom lubricant traces. The section performs bloodstain pattern analysis, vehicle lamp examinations, and physical matches each of which offers reconstructive information to the criminal justice system. The Trace Section also conducts the analysis of fire debris samples from suspected arson scenes to identify accelerants like gasoline that may be present. A battery of tests and instruments are utilized to accomplish each task.

Activity: Evidence Collection Unit 2683
Crime Scene Investigation Section 2683
The Crime Scene Investigation Section is responsible for responding to crime scenes on a twenty-four hour basis. Each member is trained in the identification, collection, and preservation of evidence at crime scenes. Furthermore, the responding member documents the location, condition, and context of the evidence through diagrams, narrative reports, and photography. These skills are essential to admit evidence into court through testimony.

The Property \& Evidence Section has the responsibility of receiving and storing all evidence, confiscated property, and unclaimed property recovered by members of the department. In addition, the section is charged with ensuring that evidentiary items recovered are stored and secured in such a manner that their value is retained and that other items are protected from damage and loss. # DEPARTMENT OF POLICE <br> BENEFITS <br> ACTIVITY DESCRIPTION 

Certain transactions recorded in the books and records of the Department do not flow through the normal, centralized procurement process. Transactions involving pension payments and FICA taxes are paid directly by the City on behalf of the Department, but are recorded as expenditures by the Department since they are part of the annual budget.

Other transactions such as separation pay, health, life, and other employee benefits are accounted for in centralized accounts and not allocated to specific programs.

## Program: Law Enforcement Pension 1100

The City makes its contribution directly to the Kansas City Police Employees' Retirement System, a separate state entity, every 28 days.

## Program: Civilian Pension 1110

The City makes its contribution directly to the Kansas City Police Employees' Retirement System, a separate state entity, every 28 days.

## Program: FICA (Federal Insurance Contribution Act) Taxes 1111

Medicare is $1.45 \%$ for law enforcement hired after April 1, 1986, and all civilians, and Social Security is $6.20 \%$ for civilians. Law enforcement members hired before April 1, 1986, are exempted from mandatory participation in Medicare. The City makes its contribution directly to the Internal Revenue Service after each payroll.

## Program: Employee Benefits 1462

The Department contracts with insurance providers for benefits such as health, life, and disability, and provides a $\$ 6$ monthly benefit subsidy to members.

## Program: Separation Pay 2512

## POLICE DRUG ENFORCEMENT FUND

DRUG ABUSE RESISTANCE EDUCATION (D.A.R.E.)
JACKSON COUNTY DRUG TAX UNIT

# DEPARTMENT OF POLICE <br> POLICE DRUG ENFORCEMENT FUND ACTIVITY DESCRIPTION 

Residents of Jackson County, Missouri approved a $1 / 4$ cent sales tax to fight illicit drug use and provide education and treatment. The Community Backed Anti-drug Tax (COMBAT) provides prevention and treatment funding to the Department as described below.

## Program: Professional Development \& Research Bureau

Activity: DARE Jackson County 2646 \& 2648
COMBAT provides funding for two positions, training, and supplies needed for the Drug Abuse Resistance Education (DARE) program. The officers interact primarily with fifth grade students in three metropolitan school districts within the City year round, providing positive role modeling and influences, as well as teaching prevention programs. Modified lessons are given to the K-4 students.

## Program: Investigations Bureau

## Activity: Jackson County Drug Tax Unit 2652 \& 2654

COMBAT funds the Jackson County Drug Tax Unit, which consists of additional undercover, supervisory, and civilian support personnel assigned to the Drug Enforcement Unit and the Street Crimes Unit. Members supplement duties of others assigned to the Narcotics \& Vice Division. The Drug Enforcement Unit investigates mid and upper level drug dealers, while the Street Crimes Unit investigates street level (retail) drug dealers and provides tactical enforcement for narcotics investigations. Both units present cases in the federal and state criminal justice systems. In addition, two civilian Chemists funded by COMBAT are assigned to the Department's Regional Criminalistics Lab to help handle the increased workload involving drug evidence generated by stepped up enforcement.

# DEPARTMENT OF POLICE OTHER FUNDS REFLECTED IN CITY APPROPRIATIONS ACTIVITY DESCRIPTION 

## Activity: $\quad$ Parking Garage Fund 216

The City established this fund to reimburse the Department for enforcement of parking ordinances in the downtown corridor.

## Activity: $\quad$ Public Safety Sales Tax (PSST) Fund 232

Voters approved an extension of the $1 / 4$ cent sales tax to fund public safety capital improvements on November 2, 2010. Police's share of the total annual amount generated from the tax is reflected in this Fund, most of which is used to supplement appropriations in the amount of $\$ 2$ million formerly provided by the General Fund.

Activity: Health Levy Fund 233
The City established this fund to account for property tax receipts and expenditures related to health care for the city, to include providing health care funding for the indigent.

## Activity: Byrne JAG Grant Fund 241

Accounts for grant funding passed through to the Department from the City.

## Activity: 2012A G.O. Bond Fund 3398

The City established this continuing fund for appropriations derived from General Obligation (G.O.) Bonds issued to more quickly build and equip facilities authorized by PSST renewal. By statute, the City constructs and owns the buildings occupied, but the Department purchases and owns equipment and furnishings. As a continuing fund, unused appropriations are available in subsequent years until fully expended.

## Activity: 2013B Special Obligation Bond Fund 3431

The City established this continuing fund for appropriations derived from Special Obligation Bonds issued to equip facilities authorized by PSST renewal. As a continuing fund, unused appropriations are available in subsequent years until fully expended.

## Activity: 2016A Tax Exempt Bond Fund 3433

The City established this continuing fund for appropriations derived from Special Obligation Bonds issued to equip facilities authorized by PSST renewal. As a continuing fund, unused appropriations are available in subsequent years until fully expended.

## Activity: Police Workers' Compensation (WC) Fund 1011

The Department retains the risk for workers' compensation claims. The activities in this Fund are supported by a transfer from the General Fund, making the Police WC Fund a subsidiary account to the General Fund. The Police WC Fund is not included as part of total budgeted appropriations since these have already been included in the General Fund. This Fund serves to record individual workers' compensation costs as an off-budget internal service. Costs, if any, in excess of this amount will be recorded in the Department's General Fund. General Fund transfers in excess of workers' compensation costs are held at the City for the future benefit of the Department.

## DEPARTMENT OF POLICE SPECIAL REVENUE FUNDS ACTIVITY DESCRIPTION

Special Revenue Funds account for revenues earmarked for specific purposes and/or are restricted by law or administrative action. The Department uses the following Special Revenue Funds to supplement General Fund appropriations.

## Activity: Special Services Fund - 5110

This Fund is used to account for revenues derived from a variety of sources such as the sale of police reports, criminal history record checks, fingerprint services, private security officer licenses, alarm fees, academy fees paid by other policing jurisdictions, miscellaneous restitution via the court system, crime lab fees, vehicle disposals, accident claims, traffic escorts for parades, and interest income.

Expenditures pay for costs associated with collecting revenue including licensing of private security officers and private alarm users; police report reproduction; traffic escorts; vehicle purchases; training, education, and related travel; and tuition reimbursements to employees.

## Activity: $\quad$ Federal Seizure and Forfeiture Fund - 5150

This Fund is used to account for revenue pursuant to the equitable sharing of seized and forfeiture cash and property from joint drug enforcement investigations with the federal government. The expenditure of funds is restricted by federal guidelines published by the U.S. Department of Justice and Department of the Treasury. This Fund is the primary source for cash matches related to federal grants and maintenance of the data backbone systems of the Department's internal network.

## Activity: DARE Donations Fund - 6140

This Fund is used to account for donations from COMBAT and private and public entities and individuals. The donations are used to enhance drug abuse resistance education (DARE) programs given by the Department to schoolchildren and provide awards to the participants upon completion of the classes. This Fund supports the operations of the Department's DARE program reflected as organizations 2646 and 2648 in the Police Drug Enforcement Fund 234. The City provides appropriations in the General Fund to pay for additional officers assigned to DARE.

## Activity: Grants Fund - 7100

The Department's policy is to establish revenue accounts in this Fund to receive grant revenue. An offsetting contractual obligation equal to the grant revenue plus grant matches furnished by other Treasurer's Account funds is also established in order to reimburse the City in arrears for grant appropriations in the General Fund and Police Grants Fund.

Under Guide to Equitable Sharing for State and Local Law Enforcement Agencies Sec. VIII(A)(3)(c) dealing with uses, it states "Anticipated shared property should not be budgeted - Agencies should not 'spend it before you get it' or budget anticipated receipts...". The Treasurer's Account budget does outline a budget for desired programs. The desired program budget does not violate the intent of the guidelines since the Board of Police Commissioners will not allow any commitments until such time as sufficient federal forfeited funds are available for each commitment.

Notes:
1/ The Department's policy is to establish revenue accounts in the Grants Special Revenue Fund 7100 to receive grant revenue and Department required grant matches. A contractual obligation equal to the revenue and Department match is established in Fund 7100 to reimburse the City in arrears for expenditures recorded in Police funds 100 and 239.

# LIABILITY SELF-RETENTION SUBSIDIARY ACCOUNT FUND 6110 

REVENUES, EXPENDITURES, AND CHANGE IN FUND BALANCE

# DEPARTMENT OF POLICE <br> LIABILITY SELF-RETENTION GENERAL FUND SUBSIDIARY ACCOUNT ACTIVITY DESCRIPTION 

The Department uses a Liability Self-Retention Subsidiary Account to retain exposure to potential liability and torts related to vehicular accidents, slip and fall claims, and other liability claims. This program was instituted during fiscal year 1991-92 when bids for this coverage came in at over $\$ 1$ million. In response, the City and Department agreed to establish a fund that would allow the Department to decrease its overall costs. Funding is provided mainly by transfers from the General Fund.

Section 105.726, RSMo, requires the State of Missouri to fund the first $\$ 1.0$ million of the Department's annual liability costs, with the Department responsible for $100 \%$ of anything over this amount.

General Fund transfers in excess of annual risk management expenses are retained by the Department to offset future costs should claims exceed amounts provided by the General Fund and/or covered by the State of Missouri. In the event all amounts are exhausted, the City acts as a backstop for risk management costs. COMPARISON OF REVENUES, EXPENDITURES AND CHANGE IN FUND BALANCE
